

If an individual is enrolled in a school and is pursuing a course of study which is designed to be completed in more than 4 years, the individual will be considered a full-time student for only the last 4 years of the course of study.

*Health manpower shortage area* means the geographic area, the population group, the public or nonprofit private medical facility, or other public facility which has been determined by the Secretary to have a shortage of health manpower under section 332 of the Act and its implementing regulations (42 CFR part 5).

*National of the United States* means a citizen of the United States or a person who, though not a citizen of the United States, owes permanent allegiance to the United States.

*Public Health and National Health Service Corps Scholarship Training Program, or PH/NHSC Scholarship Training Program*, means the program authorized by section 225 of the Act as in effect on September 30, 1977, and repealed on October 1, 1977.

*Scholarship Program* means the National Health Service Corps Scholarship Program authorized by section 751 of the Act (42 U.S.C. 294t).

*Scholarship Program participant or participant* means an individual whose application to the Scholarship Program has been approved and whose contract has been accepted and signed by the Secretary.

*School* means a school of medicine, osteopathy, dentistry, or other health profession which (a) provides training leading to a degree of doctor of medicine, doctor of osteopathy, doctor of dentistry, or an equivalent credential for a particular health profession, and (b) which is accredited by a body or bodies recognized for accreditation purposes by the Secretary of Education.

*School year* means all or part of the 12-month period from July 1 through June 30 during which an applicant is enrolled in a school as a full-time student.

*Service* means the United States Public Health Service.

*Secretary* means the Secretary of Health and Human Services and any other officer or employee of the Department of Health and Human Serv-

ices to whom the authority involved has been delegated.

*State* means one of the several States, the District of Columbia, the Commonwealth of Puerto Rico, the Northern Mariana Islands, the Virgin Islands, Guam, American Samoa, and the Trust Territory of the Pacific Islands.

### § 62.3 Who is eligible to apply for a scholarship program award?

(a) To be eligible for a scholarship under this part an applicant must:

(1) Be accepted for enrollment, or be enrolled, as a full-time student in a school located in a State;

(2) Be pursuing a course of study or program offered by the school leading to a degree in medicine, osteopathy, dentistry, or an equivalent credential for a particular health profession;

(3) Be eligible for, or hold, an appointment as a commissioned officer in the Regular or Reserve Corps of the Service or be eligible for selection for civilian service in the National Health Service Corps;

(4) Be a National of the United States; and

(5) Submit an application to participate in the Scholarship Program together with a signed contract as described in section 751(f) of the Act.

(b) Any applicant who owes an obligation for professional practice to a State or other entity under an agreement entered into before filing an application under this part is ineligible for an award unless a written statement satisfactory to the Secretary is submitted from the State or entity that (1) there is no potential conflict in fulfilling the service obligation to the State or entity and the Scholarship Program, and that (2) the Scholarship Program service obligation will be served before the service obligation for professional practice owed to the State or entity.

(c) Any individual who receives a scholarship under the Indian Health Service Scholarship Program (section 757 of the Act) or the Scholarship Program for First-Year Students of Exceptional Financial Need (section 758 of the Act) is ineligible to participate in the Scholarship Program during the

## § 62.4

School year(s) for which the scholarships under sections 757 or 758 of the Act were awarded.

### **§ 62.4 To whom will scholarship program awards be available in addition to those individuals pursuing courses of study leading to degrees in medicine, osteopathy, or dentistry?**

The Secretary will, from time-to-time, publish in the FEDERAL REGISTER a list of those health professions in addition to medicine, osteopathy, and dentistry for which the National Health Service Corps has need and for which support is available. The Secretary will also publish any other eligibility criteria, in addition to those in § 62.3, that may be required to assure that participants can be utilized during their periods of obligated service in a manner that will best meet the needs of the National Health Service Corps.

### **§ 62.5 How is application made for a scholarship program award?**

Each individual desiring a scholarship under this part must submit an application (including a signed contract as required under section 751(f) of the Act) in the form and at the time prescribed by the Secretary.

### **§ 62.6 How will individuals be selected to participate in the scholarship program?**

(a) *General.* In deciding which applications for participation in the Scholarship Program will be approved, the Secretary will place the applications into categories based upon the selection priorities described in paragraph (b) of this section. Except for continuation awards (see paragraph (e) of this section) the Secretary will then evaluate each applicant under paragraph (c) of this section.

(b) *Priorities.* (1) First priority will be given to individuals who have previously received a scholarship under the PH/NHSC Scholarship Training Program, a scholarship under this Scholarship Program, or a scholarship under section 758 of the Act, authorizing scholarships for first-year students of exceptional financial need. (2) Second priority will be given to applicants who are entering their first year of study.

## 42 CFR Ch. I (10–1–10 Edition)

(c) *Selection.* (1) In selecting participants, the Secretary will take into consideration those factors which he or she determines necessary to assure effective participation in the Scholarship Program. These factors may include, but not be limited to (i) work experience, (ii) community background, (iii) career goals, (iv) faculty recommendation, and (v) academic performance.

(2) Special consideration will be given to (i) medical and osteopathic students who indicate their intention to enter family practice, internal medicine, pediatrics, or osteopathic general practice residencies, (ii) dental students who indicate their intention to undertake general practice training following graduation or who plan no postgraduate training, and (iii) those individuals who indicate an intent to pursue other types of clinical practice or specialized training for which the National Health Service Corps has a particular need.

(d) *Duration of Scholarship award.* Subject to the availability of funds for the Scholarship Program, the Secretary will award a participant a scholarship under this part for a period of 1 school year.

(e) *Continuation awards.* Subject to the availability of funds for the Scholarship Program, the Secretary will award a continuation scholarship if (1) the participant requests a continuation, (2) the award will not extend the total period of Scholarship Program support beyond 4 years, and (3) the participant is eligible for continued participation in the Scholarship Program.

### **§ 62.7 What will an individual be awarded for participating in the scholarship program?**

(a) *Amount of scholarship.* (1) A scholarship award for each school year will consist of (i) tuition, (ii) reasonable educational expenses, including required fees, books, supplies, and required educational equipment, and (iii) a monthly stipend for the 12-month period beginning with the first month of each school year in which the individual is a participant. For purposes of this section “required fees” means those fees which are charged by the
