from the new Surety for a term specified by the Medicaid agency.

(j) Effect of failure to obtain, maintain, and timely file a surety bond. (1) The Medicaid agency must terminate the HHA’s provider agreement if the HHA fails to obtain, file timely, and maintain a surety bond in accordance with this section and the Medicaid agency’s instructions.

(2) The Medicaid agency must refuse to enter into a provider agreement with an HHA if an HHA seeking to become a participating HHA fails to obtain and file timely a surety bond in accordance with this section and instructions issued by the State Medicaid agency.

(k) Evidence of compliance. (1) The Medicaid agency may at any time require an HHA to make a specific showing of being in compliance with the requirements of this section and may require the HHA to submit such additional evidence as the Medicaid agency considers sufficient to demonstrate the HHA’s compliance.

(2) The Medicaid agency may terminate the HHA’s provider agreement or refuse to enter into a provider agreement if an HHA fails to timely furnish sufficient evidence at the Medicaid agency’s request to demonstrate compliance with the requirements of this section.

(l) Surety’s standing to appeal Medicaid determinations. The Medicaid agency must establish procedures for granting appeal rights to Sureties.

(m) Effect of conditions of payment. If a Surety has paid the Medicaid agency an amount on the basis of liability incurred under a bond obtained by an HHA under this section, and the Medicaid agency subsequently collects from the HHA, in whole or in part, on such overpayment that was the basis for the Surety’s liability, the Medicaid agency must reimburse the Surety such amount as the Medicaid agency collected from the HHA, up to the amount paid by the Surety to the Medicaid agency, provided the Surety has no other liability under the bond.

(c) Case management does not include, and FFP is not available in expenditures for, services defined in §441.169 of this chapter when the case management activities constitute the direct delivery of underlying medical, educational, social, or other services to which an eligible individual has been referred, including for foster care programs, services such as, but not limited to, the following:
