(3) All supplementary materials required to show that the mariner meets the mandatory requirements for all endorsements sought;

(i) The mandatory requirements for officer endorsements are contained in part 11 of this chapter.

(ii) The mandatory requirements for rating endorsements are contained in part 12 of this chapter.

(iii) For a tankerman rating endorsement, the applicant must also provide those documents or proofs required in part 13 of this chapter.

(iv) The mandatory requirements for STCW Endorsements are contained in parts 11 and 12 of this chapter and in the STCW Convention and Code (incorporated by reference, see §10.103).

(5) Evidence of having passed a chemical test for dangerous drugs or of qualifying for an exemption from testing in §16.220 of this subchapter;

(c) *Oath.* Every person who receives an original MMC must first take an oath, before an official authorized to

give such an oath, that he or she will faithfully and honestly, according to his or her best skill and judgment, without concealment or reservation, perform all the duties required by law and obey all lawful orders of superior officers. An oath may be administered by any Coast Guard-designated individual or any person legally permitted to administer oaths in the jurisdiction where the person taking the oath resides. An oath administered at a location other than those listed in §10.217 must be verified in writing by the administering official and submitted to the same REC where the applicant applied for his or her MMC. This oath remains binding for any subsequently issued MMC and endorsements added to the MMC, unless specifically renounced in writing.

§ 10.227 Requirements for renewal.

(a) Except as provided in paragraph (e) of this section, an applicant for renewal of a credential must establish possession of all of the necessary qualifications before the renewal MMC will be issued.

(b) A credential may be renewed at any time during its validity and for one year after expiration.

(c) No credential will be renewed if it has been suspended without probation or revoked as a result of action under part 5 of this chapter or if facts that would render a renewal improper have come to the attention of the Coast Guard.

(d) Except as provided in paragraph (e) of this section, a complete application for renewal must contain the following:

(1) A completed, signed application;

(2) Beginning April 15, 2009, proof that the mariner holds a valid TWIC;

(3) The appropriate fee as set forth in §10.219 of this part;

(4) Any uncanceled MMD, MMC, license, STCW endorsement, or COR held by the applicant. credential to the Coast Guard. If requested in writing at the time of submission, the old MMD, MMC, license, COR, or STCW endorsement may be returned to the applicant after cancellation;

(5) Evidence of having passed a chemical test for dangerous drugs or of qualifying for an exemption from testing in § 16.220 of this subchapter;

(8) Except as provided in paragraph (d)(8)(viii) of this section, the applicant must meet the following professional requirements for renewal:

(i) The applicant must either—

(A) Present evidence of at least one year of sea service during the past five years;

(B) Pass a comprehensive, open-book exercise covering the general subject matter contained in appropriate sections of subpart (I) of this part;

(C) Complete an approved refresher training course; or

(D) Present evidence of employment in a position closely related to the operation, construction, or repair of vessels (either deck or engineer as appropriate) for at least three years during the past five years. An applicant for a deck license or officer endorsement with this type of employment must also demonstrate knowledge on an applicable Rules of the Road open-book exercise.

(ii) The qualification requirements for renewal of radar observer endorsement are in § 11.480 of this chapter.

(iii) Additional qualification requirements for renewal of an officer endorsement as first-class pilot are contained in § 11.713 of this chapter.

(iv) An applicant for renewal of a radio officer's endorsement must, in addition to meeting the requirements of this section, present evidence of a currently valid license as first or second-class radiotelegraph operator

issued by the Federal Communications Commission. If submitted, the original license will be returned to the applicant.

(v) An applicant for renewal of an endorsement as medical doctor or professional nurse must, in addition to meeting the requirements of this section, present evidence that he or she holds a currently valid, appropriate license as physician, surgeon, or registered nurse issued under the authority of a state or territory of the United States, the Commonwealth of Puerto Rico, or the District of Columbia. Any such renewal will retain the limitations placed upon the medical license by the issuing body. There are no professional requirements for renewal of an endorsement as marine physician assistant or hospital corpsman.

(vi) An applicant for renewal of an endorsement as master or mate (pilot) of towing vessels must submit satisfactory evidence of:

(A) Having completed a practical demonstration of maneuvering and handling a towing vessel to the satisfaction of a designated examiner; or

(B) Ongoing participation in training and drills during the validity of the license or MMC being renewed.

(vii) An applicant seeking to renew a tankerman endorsement must meet the additional requirements listed in § 13.120 of this chapter.

(viii) There are no professional requirements for renewal for the following endorsements:

(A) Radio officer;

(B) Staff officers (all types);

(C) Ordinary seaman;

(D) Wiper;

(E) Steward's department (F.H.);

(F) Cadet;

(G) Student observer;

(H) Apprentice engineer;

(I) Apprentice mate (issued under part 12 of this subchapter);

(J) Person in charge of medical care;

(K) Medical first-aid provider;

(L) GMDSS at-sea maintainer; and

(M) GMDSS operator.

(9) Except as otherwise provided, each candidate for a renewal of an STCW endorsement must meet the applicable requirements of § 11.202 of this chapter and must meet the requirements of section A-VI/2, paragraphs 1

to 4 of the STCW Code (incorporated by reference in §10.103).

(e) *Document of continuity.* (1) Applicants for renewal who are unwilling or otherwise unable to meet the requirements of paragraph (d) of this section, including but not limited to the medical and physical standards of §10.215, drug tests, and TWIC, may apply for a document of continuity issued by the Coast Guard. Documents of continuity do not expire and are issued solely to maintain an individual's eligibility for renewal. A document of continuity does not entitle an individual to serve as a merchant mariner. A holder of a document of continuity may obtain a properly endorsed, valid MMC at any time by satisfying the requirements for renewal as provided in paragraph (d).

(2) Applications for a document of continuity must include:

(i) The credential to be renewed. Upon written request, the Coast Guard will return the credential to the applicant after it has been cancelled; and

(ii) An application including a signed statement from the applicant attesting to an awareness of the limited purpose of the Document of Continuity, their inability to serve, and the requirements to obtain an MMC.

(f) *Administrative grace period.* Except as provided herein, a credential may not be renewed more than 12 months after it has expired. To obtain a re-issuance of the credential, an applicant must comply with the requirements of paragraph (g) of this section. When an applicant's credential expires during a time of service with the Armed Forces and there is no reasonable opportunity for renewal, including by mail, this period may be extended. The period of military service following the date of expiration which precluded renewal may be added to the 12-month grace period. The 12-month grace period and any extensions do not affect the expiration date of the credential. A license, MMD, COR, STCW endorsement, MMC, and any endorsements thereon, are not valid for use after the expiration date.

(g) *Re-issuance of expired credentials.* (1) Whenever an applicant applies for re-issuance of an endorsement as deck officer, engineer officer, or qualified rating more than 12 months after expiration, instead of the requirements of

paragraph (d)(8) of this section, the applicant must demonstrate continued professional knowledge by completing a course approved for this purpose, or by passing the complete examination. The examination may be oral-assisted if the expired credential was awarded on an oral exam. The fees set forth in §10.219 apply to these examinations. In the case of an expired radio officer's endorsement, the endorsement may be issued upon presentation of a valid first or second-class radiotelegraph operator license issued by the Federal Communications Commission.

(2) An endorsement for chief purser, purser, senior assistant purser, junior assistant purser, hospital corpsman, marine physician assistant, medical doctor, or professional nurse that has been expired for more than 12 months shall be renewed in the same way as a current endorsement of that type. There are no additional requirements for re-issuing endorsements for chief purser, purser, senior assistant purser, junior assistant purser, hospital corpsman, marine physician assistant, medical doctor, or professional nurse that have been expired for more than 12 months.

§10.229 Issuance of duplicate merchant mariner credentials.

(a) Upon request and without examination, a mariner may be issued a duplicate credential after submitting an application with an affidavit describing the circumstances of the loss. The Coast Guard will only issue the duplicate credential after confirming the validity of the mariner's credential and, beginning April 15, 2009, the validity of the mariner's TWIC.

(b) The duplicate will have the same authority, wording, and expiration date as the lost credential. A duplicate credential will reference the serial number, type, place of issue, and date of issue of the replaced credential(s). The duplicate issued will be in the form of an MMC. Until April 15, 2014, if a mariner seeks a duplicate of more than one credential, the MMC issued will reflect endorsements for all credentials lost, and the expiration date will
