§ 308.508

Rico, American Samoa, Guam, Wake Island, Midway Islands, and the Panama Canal Zone.

II—OPEN POLICY WAR RISK CARGO
INSURANCE

§ 308.505 General.

The Maritime Administrator is prepared to provide an open cargo war risk insurance policy covering any cargoes described in § 308.501. The policy will be in the standard form of War Risk Open Cargo Policy, Form MA-300, prescribed in § 308.517. All policies will be issued by underwriting agents appointed by the Maritime Administrator. All underwriting agents will be domestic insurance companies authorized to do a marine insurance business in a State of the United States.

§ 308.506 Application for an Open Cargo Policy.

Application for an Open Cargo Policy shall be made by filing Form MA-301, prescribed in § 308.521, with an underwriting agent of the Maritime Administration. The application shall state the applicant's name and address; the person or persons to whom loss shall be payable; the nature and geographic scope of the shipments to be covered under the policy which shall not be broader than the coverage authorized in § 308.501; the requested effective date, which shall not be earlier than the date of the completion of the requirements for the issuance of the policy; and the basis of valuation to be incorporated in the policy. An applicant may specify one basis of valuation for imports and another for exports, and he may specify different bases of valuation for different commodities or voyages, provided that each basis of valuation specified by the applicant shall define the value by the use of facts which existed prior to the date of the shipment and which are readily ascertainable by either party after the safe arrival or loss of the shipment.

§ 308.507 Security for payment of premiums.

Clause 21 of the policy requires the assured to maintain with the Maritime Administrator a collateral deposit fund or a surety bond, to secure the pay-

ment of the premiums, in an amount which shall at all times exceed the unpaid premiums on all risks which have attached under the policy. The minimum amount of the fund or of the surety bond shall be \$1,000. Clause 21 also provides that, within seven (7) days from the time knowledge comes to the assured that the amount of the deposit or the surety bond is insufficient to meet the requirements of Clause 21, the assured shall deposit additional collateral or increase the surety bond in an amount not less than double the amount of such insufficiency, and for a sum which shall be a multiple of \$500. If the assured fails to increase the deposit or the surety bond within the seven (7) day period, the policy automatically becomes void at the end of the seven (7) day period except as to risks which have attached prior to that date. The procedure for establishing a collateral deposit fund is prescribed in § 308.509, and the procedure for posting and maintaining a surety bond is prescribed in § 308.510. An application for the issuance of an open cargo policy shall be ineffective unless a collateral deposit fund is established and maintained, or a surety bond is posted and maintained, in accordance with the provisions of this section and §§ 308.509 and 308.510.

§ 308.508 Issuance of an Open Cargo Policy.

(a) *Time.* The underwriting agent will issue an Open Cargo Policy within (15) days after the completion by the applicant of the requirements set forth in §§ 308.506 and 308.507 unless the time for issuance is extended by the Maritime Administrator in writing. The underwriting agent may not make any Open Cargo Policy effective with respect to shipments attaching on a date earlier than the date when the application was completed, but he may make it effective on the date of the completion of the application or any date thereafter requested by the applicant.

(b) *Numbering.* Each Open Cargo Policy supplied to the underwriting agent by the Maritime Administrator shall be numbered by the Maritime Administration before it is supplied to the underwriting agent. No two numbers shall be the same. The underwriting
