

§ 356.23

46 CFR Ch. II (10-1-10 Edition)

Approval Officer certifying that all loans and mortgages on Fishing Industry Vessel entered into under this general approval conform to the standard agreement approved by us and do not contain deviations from the standard agreement or covenants that were not reviewed and approved by the Citizenship Approval Officer. The certification must be submitted at least 30 calendar days prior to the annual anniversary date of the previous approval.

(d) If the lender wishes to use covenants that were not approved pursuant to this section, it must submit the new covenants to the Citizenship Approval Officer for approval.

(e) A lender that has received general approval for its lending program and that uses covenants in a loan or mortgage on a Fishing Industry Vessel that have not been approved by the Citizenship Approval Officer will be subject to loss of its general approval and the Citizenship Approval Officer may review and approve all of the lender's mortgage and loan covenants on a case-by-case basis. The Citizenship Approval Officer may also determine that the arrangement results in an impermissible transfer of control to a Non-Citizen and therefore does not meet the requirements to qualify as a Preferred Mortgage. If the lender knowingly files a false certification with the Citizenship Approval Officer or has used covenants in a loan or mortgage on a Fishing Industry Vessel that are materially different from the approved covenants, it may also be subject to civil and criminal penalties pursuant to 18 U.S.C. 1001.
