

Federal Maritime Commission

§ 565.13

lawfulness in a prohibition proceeding as described in § 565.9, the Commission may suspend the rates, charges, classifications, rules or regulations at any time before their effective date.

(2) *Suspension after effective date.* In the case of rates, charges, classifications, rules or regulations that have already become effective, the Commission may, upon the issuance of an order to show cause, suspend those rates, charges, classifications, rules or regulations on not less than 30 days' notice to the controlled carrier.

(b) *Period of suspension.* In any case, no period of suspension may be greater than 180 days.

(c) *Implementation.* (1) Upon issuance of an order suspending a rate, charge, classification, rule or regulation in whole or in part, the Commission shall direct the controlled carrier to remove the suspended material from its tariff publication; or

(2) if the matter subject to the suspension order is not covered by paragraph (c)(1) of this section, the Commission shall set forth procedures in the order for implementing the suspension.

(3) *Publication.* All orders of suspension shall be published in the FEDERAL REGISTER.

(d) *Replacement rates.* Controlled carriers may publish in tariffs or file in service contracts rates, charges, classifications, rules or regulations in lieu of the suspended matter ("replacement rates").

(1) *Effective date.* In the case of replacement rates which are published in tariffs and which are scheduled to become effective during a suspension period, may become effective immediately upon either their publication in tariffs or upon the effective date of the suspension, whichever is later.

(2) *Rejection of replacement rates.* The Commission may reject the replacement rates, charges, classifications, rules or regulations published in tariffs or filed in service contracts to take effect during the suspension period if they are unjust and unreasonable. In determining whether to reject replacement rates, charges, classifications, rules or regulations, the Commission will consider whether they would re-

sult in total charges (i.e., rate plus applicable surcharges) that are lower than the lowest comparable charges effective for a common carrier, other than a controlled carrier, serving the same trade.

(3) At the same time it announces replacement rates, the controlled carrier shall submit to the Secretary of the Commission, a letter identifying the specific competing common carrier's rates, charges, classification or rules resulting in total charges which are equal to or lower than its own.

§ 565.11 Presidential review.

The Commission shall transmit all orders of suspension or final orders of prohibition to the President of the United States concurrently with the submission of such orders to the FEDERAL REGISTER pursuant to § 565.9(d) or § 565.10(c)(3). The President may, within 10 days of either the receipt or effective date of the order, request in writing that the Commission stay the effect of the order for reasons of national defense or foreign policy.

§ 565.12 Stay, postponement, discontinuance or suspension of action.

The Commission may, on its own motion or upon petition, postpone, discontinue, or suspend any and all actions taken by it under the provisions of this part. The Commission shall immediately stay the effect of any order issued under this part as requested by the President pursuant to § 565.11.
