Federal Acquisition Regulation

business concern and a large business concern in accordance with 14.408–6(a).

25.503 Group offers.

(a) If the solicitation or an offer specifies that award can be made only on a group of line items or on all line items contained in the solicitation or offer, reject the offer—
   (1) If any part of the award would consist of prohibited end products (see Subpart 25.7); or
   (2) If the acquisition is covered by the WTO GPA and any part of the offer consists of items restricted in accordance with 25.403(c).

(b) If an offer restricts award to a group of line items or to all line items contained in the offer, determine for each line item whether to apply an evaluation factor (see 25.504–4, Example 1).

(1) First, evaluate offers that do not specify an award restriction on a line item basis in accordance with 25.502, determining a tentative award pattern by selecting for each line item the offer with the lowest evaluated price.

(2) Evaluate an offer that specifies an award restriction against the offered prices of the tentative award pattern, applying the appropriate evaluation factor on a line item basis.

(3) Compute the total evaluated price for the tentative award pattern and the offer that specified an award restriction.

(4) Unless the total evaluated price of the offer that specified an award restriction is less than the total evaluated price of the tentative award pattern, award based on the tentative award pattern.

(c) If the solicitation specifies that award will be made only on a group of line items or all line items contained in the solicitation, determine the category of end products on the basis of each line item, but determine whether to apply an evaluation factor on the basis of the group of items (see 25.504–4, Example 2).

(b) If the proposed price of domestic end products exceeds 50 percent of the total proposed price of the group, evaluate the entire group as a domestic offer. Evaluate all other groups as foreign offers.

(2) For foreign offers, if the proposed price of domestic end products and eligible products exceeds 50 percent of the total proposed price of the group, evaluate the entire group as an eligible offer.

(3) Apply the evaluation factor to the entire group in accordance with 25.502.

25.504 Evaluation Examples.

The following examples illustrate the application of the evaluation procedures in 25.502 and 25.503. The examples assume that the contracting officer has eliminated all offers that are unacceptable for reasons other than price or a trade agreement (see 25.502(a)(1)). The evaluation factor may change as provided in agency regulations.

[67 FR 21535, Apr. 30, 2002]

25.504–1 Buy American Act.

(a)(1) Example 1.

    Offer A ..... $12,000 Domestic end product, small business.
    Offer B ..... 11,700 Domestic end product, small business.
    Offer C ..... 10,000 U.S.-made end product (not domestic), small business.

(2) Analysis: This acquisition is for end products for use in the United States and is set aside for small business concerns. The Buy American Act applies. Since the acquisition value is less than $25,000 and the acquisition is set aside, none of the trade agreements apply. Perform the steps in 25.502(a).

Offer C is evaluated as a foreign end product because it is the product of a small business, but is not a domestic end product (see 25.502(c)(4)). Since Offer B is a domestic offer, apply the 12 percent factor to Offer C (see 25.105(b)(2)). The resulting evaluated price of $11,200 remains lower than Offer B. The cost of Offer B is therefore unreasonable (see 25.105(c)). Award on Offer C at $10,000 (see 25.502(c)(4)(i)).

(b)(1) Example 2.
