available from the private sector that best meet the Government’s needs in terms of price, quality, and time of delivery. This is a unilateral determination made at the discretion of the contracting officer. The arbitration provisions of 18 U.S.C. 4124(b) do not apply;

(2) Prepare a written determination that includes supporting rationale explaining the assessment of price, quality, and time of delivery, based on the results of market research comparing the FPI item to supplies available from the private sector;

(3) If the FPI item is comparable, purchase the item from FPI following the ordering procedures at http://www.unicor.gov, unless a waiver is obtained in accordance with 8.604; and

(4) If the FPI item is not comparable in one or more of the areas of price, quality, and time of delivery—

(i) Acquire the item using—

(A) Competitive procedures (e.g., the procedures in 6.102, the set-aside procedures in subpart 19.5, or competition conducted in accordance with part 13); or

(B) The fair opportunity procedures in 16.505, if placing an order under a multiple award delivery-order contract;

(ii) Include FPI in the solicitation process and consider a timely offer from FPI for award in accordance with the item description or specifications, and evaluation factors in the solicitation—

(A) If the solicitation is available through the Governmentwide point of entry (FedBizOpps), it is not necessary to provide a separate copy of the solicitation to FPI;

(B) If the solicitation is not available through FedBizOpps, provide a copy of the solicitation to FPI;

(iii) When using a multiple award schedule issued under the procedures in Subpart 8.4 or when using the fair opportunity procedures in 16.505—

(A) Establish and communicate to FPI the item description or specifications, and evaluation factors that will be used as the basis for selecting a source, so that an offer from FPI can be evaluated on the same basis as the contract or schedule holder; and

(B) Consider a timely offer from FPI;

(iv) Award to the source offering the item determined by the agency to provide the best value to the Government; and

(v) When the FPI item is determined to provide the best value to the Government as a result of FPI’s response to a competitive solicitation, follow the ordering procedures at http://www.unicor.gov.

(b) The procedures in paragraph (a) of this section do not apply if an exception in 8.605(b) through (g) applies.

(c) In some cases where FPI and an AbilityOne participating nonprofit agency produce identical items (see 8.603), FPI grants a waiver to permit the Government to purchase a portion of its requirement from the AbilityOne participating nonprofit agency. When this occurs, the portion of the requirement for which FPI has granted a waiver—

(1) Shall be purchased from the AbilityOne participating nonprofit agency using the procedures in Subpart 8.7; and

(2) Shall not be subject to the procedures in paragraph (a) of this section.

(d) Disputes regarding price, quality, character, or suitability of supplies produced by FPI, except for determinations under paragraph (a)(1) of this section, are subject to arbitration as specified in 18 U.S.C. 4124. The statute provides that the arbitration shall be conducted by a board consisting of the Comptroller General of the United States, the Administrator of General Services, and the President, or their representatives. The decisions of the board are final and binding on all parties.

8.604  Waivers.

FPI may grant a waiver for purchase of supplies in the FPI Schedule from another source. FPI waivers ordinarily are of the following types:

(a) General or blanket waivers issued when classes of supplies are not available from FPI.
(b) Formal waivers issued in response to requests from offices desiring to acquire, from other sources, supplies listed in the FPI Schedule and not covered by a general waiver. Agencies shall process waiver requests in accordance with the procedures at http://www.unicor.gov.

8.605  Exceptions.

Purchase from FPI is not mandatory and a waiver is not required if—

(a)(1) The contracting officer makes a determination that the FPI item of supply is not comparable to supplies available from the private sector that best meet the Government’s needs in terms of price, quality, and time of delivery; and

(2) The item is acquired in accordance with 8.602(a)(4);

(b) Public exigency requires immediate delivery or performance;

(c) Suitable used or excess supplies are available;

(e) Acquiring listed items totaling $3,000 or less;

(f) Acquiring items that FPI offers exclusively on a competitive (non-mandatory) basis, as identified in the FPI Schedule; or

(g) Acquiring services.

8.606  Evaluating FPI performance.

Agencies shall evaluate FPI contract performance in accordance with subpart 42.15. Performance evaluations do not negate the requirements of 8.602 and 8.604, but they may be used to support a waiver request in accordance with 8.604.

8.607  Performance as a subcontractor.

Agencies shall not require a contractor, or subcontractor at any tier, to use FPI as a subcontractor for performance of a contract by any means, including means such as—
