#### **225.301 Contractor personnel in a designated operational area or supporting a diplomatic or consular mission outside the United States.**

##### **225.301-1 Scope.**

(a) *Performance in a designated operational area*, as used in this section, means performance of a service or construction, as required by the contract. For supply contracts, the term includes services associated with the acquisition of supplies (e.g., installation or maintenance), but does not include production of the supplies or associated overhead functions.

(c) For DoD, this section also applies to all personal services contracts.

##### **225.301-4 Contract clause.**

(1) Use the clause at FAR 52.225-19, Contractor Personnel in a Designated Operational Area or Supporting a Diplomatic or Consular Mission Outside the United States, in accordance with the prescription at FAR 25.301-4, except that—

**Subpart 225.4—Trade Agreements**

SOURCE: 65 FR 19852, Apr. 13, 2000, unless otherwise noted.

**225.401 Exceptions.**

(a)(2) If a department or agency considers an individual acquisition of a product to be indispensable for national security or national defense purposes and appropriate for exclusion from the provisions of FAR Subpart 25.4, it may submit a request with supporting rationale to the Director of Defense Procurement and Acquisition Policy (OUSD(AT&L)DPAP). Approval by OUSD(AT&L)DPAP is not required if—

(A) Purchase from foreign sources is restricted by statute (see Subpart 225.70);

(B) Another exception in FAR 25.401 applies to the acquisition; or

(C) Competition from foreign sources is restricted under Subpart 225.71.

[68 FR 15619, Mar. 31, 2003]

**225.401–70 End products subject to trade agreements.**

Acquisitions of end products in the following Federal supply groups (FSG) are covered by trade agreements if the value of the acquisition is at or above the applicable trade agreement threshold and no exception applies. If an end product is not in one of the listed

groups, the trade agreements do not apply. The definition of Caribbean Basin country end products in FAR 25.003 excludes those end products that are not eligible for duty-free treatment under 19 U.S.C. 2703(b). Therefore certain watches, watch parts, and luggage from certain Caribbean Basin countries are not eligible products. However, 225.003 expands the definition of Caribbean Basin country end products to include petroleum and any product derived from petroleum, in accordance with Section 8094 of Pub. L. 103–139.
