(2) The Government need not make progress payments for invoices aggregating less than $5,000.

(3) The Contracting Officer shall approve progress payments based on the value, computed on the price of the job order, of labor and materials incorporated in the work, materials suitably stored at the site of the work, and preparatory work completed, less the aggregate of any previous payments.

(4) Upon request, the Contractor will furnish the Contracting Officer any reports concerning expenditures on the work to date that the Contracting Officer may require.

(c) The Government will retain until final completion and acceptance of all work covered by the job order, an amount estimated or approved by the Contracting Officer under paragraph (b) of this clause. The amount retained will be in accordance with the rate authorized by Congress for Naval vessel repair contracts at the time of job order award.

(d) The Contracting Officer may direct that progress payments be based on the price of the job order as adjusted as a result of change orders under the Changes clause of the Master Agreement. If the Contracting Officer does not so direct—

(1) Payments of any increases shall be made from time to time after the amount of the increase is determined under the Changes clause of the Master Agreement; and

(2) Reductions resulting from decreases shall be made for the purposes of subsequent progress payments as soon as the amounts are determined under the Changes clause of the Master Agreement.

(e) Upon completion of the work under a job order and final inspection and acceptance, and upon submission of invoices in such form and with such copies as the Contracting Officer may prescribe, the Contractor shall be paid for the price of the job order, as adjusted pursuant to the Changes clause of the Master Agreement, less any performance reserves deemed necessary by the Contracting Officer, and less the amount of any previous payments.

(f) All materials, equipment, or any other property or work in process covered by the progress payments made by the Government, upon the making of those progress payments, shall become the sole property of the Government, and are subject to the provisions of the Title clause of the Master Agreement.

252.217-7008 Bonds.

As prescribed in 217.7104(a), use the following clause:

Bonds (DEC 1991)

(a) If the solicitation requires an offeror to submit a bid bond, the offeror may furnish, instead, an annual bid bond (or evidence thereof) or an annual performance and payment bond (or evidence thereof).

(b) If the solicitation does not require a bid bond, the Offeror shall not include in the price any contingency to cover the premium of such a bond.

(c) Even if the solicitation does not require bonds, the Contracting Officer may nevertheless require a performance and payment bond, in form, amount, and with a surety acceptable to the Contracting Officer. Where performance and payment bond is required, the offer price shall be increased upon the award of the job order in an amount not to exceed the premium of a corporate surety bond.

(d) If any surety upon any bond furnished in connection with a job order under this agreement fails to submit requested reports as to its financial condition or otherwise becomes unacceptable to the Government, the Contracting Officer may require the Contractor to furnish whatever additional security the Contracting Officer determines necessary to protect the interests of the Government and of persons supplying labor or materials in the performance of the work contemplated under the Master Agreement.

(End of clause)

252.217-7009 Default.

As prescribed in 217.7104(a), use the following clause:

Default (DEC 1991)

(a) The Government may, subject to the provisions of paragraph (b) of this clause, by written notice of default to the Contractor, terminate the whole or any part of a job order if the Contractor fails to—

(1) Make delivery of the supplies or to perform the services within the time specified in a job order or any extension;

(2) Make progress, so as to endanger performance of the job order; or

(3) Perform any of the other provisions of this agreement or a job order.

(b) Except for defaults of subcontractors, the Contractor shall not be liable for any excess costs if failure to perform the job order arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of such causes include acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather.
