(2) Members of the public with disabilities seeking information or services from a Federal agency to have access to and use of information and data that is comparable to the access and use of information and data by members of the public who are not individuals with disabilities.

Accordingly, regardless of format, all Web content or communications materials specifically produced for publication on, or delivery via, HHS Web sites, including text, audio, or video, under this contract shall conform to applicable Section 508 accessibility standards. Remediation of any materials that do not comply with the applicable accessibility standards of 36 CFR Part 1194 as set forth herein shall be the responsibility of the Contractor.

The following Section 508 accessibility standards apply to the content or communications material identified in this SOW or PWS:

NOTE: The Project Officer shall list the applicable accessibility standards of the Access Board Final Rule (36 CFR Part 1194) (e.g., “36 CFR 1194.21(a)-(j).”) Most Web-based text and communication must meet the accessibility standards in 36 CFR 1194.22, “Web-based intranet and Internet information and applications.” Additionally, 36 CFR 1194.41, “Information, documentation and support,” and 36 CFR 1194.24 “Video and multimedia products” apply to all written, graphical, or broadcast video materials or products produced for HHS, including training. 36 CFR 1194.41(c) specifies that support services for products shall accommodate the communication needs of end-users with disabilities.
