Subpart 732.1—General

732.111 Contract clauses.

(a) [Reserved]

(b) USAID may obtain short term and (less frequently) long-term indefinite quantity professional services through Agency-specific indefinite quantity contracts that are a combination of contract types. Rather than using the fixed-price payment clauses for indefinite quantity contracts, when these IQCs provide for fixed daily rates (which may include wages, overhead, general and administrative expenses, fringe benefits, and profit) for services and reimbursement of other direct costs (such as travel and transportation) at cost, then the payment clause at 752.232-7 shall be used in the contract.
