852.270-3

at FAR 52.249-10, Default (Fixed-Price Construction), and after allowing the contractor 10 days to correct and comply with the contract, terminate the right to proceed with the work (or the separable part of the work) that has been delayed or unsatisfactorily performed. In this event, the Government may take over the work and complete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. The contractor and its sureties shall be liable for any damages to the Government resulting from the contractor's refusal or failure to complete the work within this specified time, whether or not the contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the Government in completing the work.

(End of clause)

852.247-70 Determining transportation costs for bid evaluation.

As prescribed in 847.305-70, insert the following provision:

DETERMINING TRANSPORTATION COSTS FOR BID EVALUATION (APR 1984)

For the purpose of evaluating bids and for no other purpose, the delivered price per unit will be determined by adding the nationwide average transportation charge to the f.o.b. origin bid prices. The nationwide average transportation charge will be determined by applying the following formula: Multiply the guaranteed shipping weight by the freight, parcel post, or express rate, whichever is proper, to each destination shown below and then multiply the resulting transportation charges by the anticipated demand factor shown for each destination. Total the resulting weighted transportation charges for all destinations and divide the total by 20 to give the nationwide average transportation charge.
