Subpart 2804.4—Safeguarding Classified Information Within Industry

2804.402 General.

Classified acquisitions or contracts which require access to classified material, as defined in FAR 4.401, for their performance shall be subject to the policies, procedures, and instructions contained in departmental regulations and shall be processed in a manner consistent with those regulations.

2804.403 Responsibilities of contracting officers.

For proposed solicitations and contracts which may require access to classified material or where guard services are assigned to safeguard departmental activities in possession of classified information, the contracting officer shall consult with the COTR and the Director, Security and Emergency Planning Staff, JMD, to determine the appropriate security measures to safeguard such material and information.

2804.470 Contractor Personnel Security Program.

2804.470–1 Policy.

It is the policy of the Department of Justice that all acquisitions which allow unescorted contractor access to Government facilities or sensitive information contain, as appropriate, requirements for appropriate personnel security screening by the contractor. To the maximum extent practicable, contractors shall be made responsible for the performance of personnel security screening. The personnel security screening may vary from one acquisition to another, depending upon the type, context, duration and location of the work to be performed. Classified contracts are exempted from the requirements of this section because they are governed by the requirements of Executive Order 12829 (January 6, 1993).

2804.470–2 Responsibilities.

(a) The primary acquiring component, together with its Security Program Manager, is responsible for providing the contracting officer with the appropriate contractor personnel security screening requirements (including waiver requirements, if appropriate) to be included in the statement of work.

(b) The contracting officer is responsible for including in the contract file for all such acquisitions, a certification made by the responsible Security Program Manager that the personnel security requirements of the
