6301.4 Ex parte communications.

Ex parte communications, that is, written or oral communications with the Board by or for one party only without notice to the other, are not permitted. No member of the Board or of the Board's staff shall consider, nor shall any person directly or indirectly involved in an appeal submit to the Board or to the Board's staff, off-the-record, any evidence, explanation, analysis, or advice, whether written or oral, regarding any matter at issue in an appeal. This provision does not apply to consultation between Board members nor to ex parte communications concerning the Board's administrative functions or procedures.

6301.5 Contract appeals procedures (general).

(a) It is the intent of these rules to provide for the just and inexpensive determination of appeals without unnecessary delay. It is the objective of the Board's preliminary procedures to encourage full disclosure of relevant and material facts, and to discourage surprise. Each specified time limitation is a maximum, and should not be fully used if the action described can be accomplished in a shorter period. The Board may extend any time limitation for good cause and in accordance with legal precedent.

(b) Ordinarily, the appellant has the burden of proof.

(c) The rules of procedure at 6302 shall govern the procedures in all contract disputes appealed to the Board.

6301.6 Effective date.

This chapter shall apply to all appeals relating to contracts entered into on or after March 1, 1979, and upon the contractor's election of Contract Disputes Act procedures, to appeals relating to earlier contracts with respect to claims pending before the contracting officer on March 1, 1979, or initiated thereafter.
