

services to be made by the concessionaire.

(3) Assurances that any ACDBE participant will be in an acceptable form, such as a sublease, joint venture, or partnership.

(4) Documentation that ACDBE participants are properly certified.

(5) A description of the type of business or businesses to be operated (*e.g.*, location, storage and delivery space, “back-of-the-house facilities” such as kitchens, window display space, advertising space, and other amenities that will increase the ACDBE’s chance to succeed).

(6) Information on the investment required on the part of the ACDBE and any unusual management or financial arrangements between the prime concessionaire and ACDBE.

(7) Information on the estimated gross receipts and net profit to be earned by the ACDBE.

§ 23.77 Does this part preempt local requirements?

(a) In the event that a State or local law, regulation, or policy differs from the requirements of this part, the recipient must, as a condition of remaining eligible to receive Federal financial assistance from the DOT, take such steps as may be necessary to comply with the requirements of this part.

(b) You must clearly identify any State or local law, regulation, or policy pertaining to minority, women’s, or disadvantaged business enterprise concerning airport concessions that adds to, goes beyond, or imposes more stringent requirements than the provisions of this part. FAA will determine whether such a law, regulation, or policy conflicts with this part, in which case the requirements of this part will govern.

(c) If not deemed in conflict by the FAA, you must write and administer such a State or local law, policy, or regulation separately from the ACDBE program.

(d) You must provide copies of any such provisions and the legal authority supporting them to the FAA with your ACDBE program submission. FAA will not approve an ACDBE program if there are such provisions that conflict with the provisions of this part.

(e) However, nothing in this part preempts any State or local law, regulation, or policy enacted by the governing body of a recipient, or the authority of any State or local government or recipient to adopt or enforce any law, regulation, or policy relating to ACDBEs, as long as the law, regulation, or policy does not conflict with this part.

§ 23.79 Does this part permit recipients to use local geographic preferences?

No. As a recipient you must not use a local geographic preference. For purposes of this section, a local geographic preference is any requirement that gives an ACDBE located in one place (*e.g.*, your local area) an advantage over ACDBEs from other places in obtaining business as, or with, a concession at your airport.

A “management contract” is an agreement between the airport and a firm to manage a portion of the airport’s facilities or operations (*e.g.*, manage the parking facilities). “Goods/services” refers to those goods and services purchased by the airport itself or by
