

(3) As an alternative to the assurance requirement described in paragraph (a)(1) of this section, a Federal Agency may provide Federal financial assistance to a State Agency after it has accepted a certification by such State Agency in accordance with the requirements in subpart G of this part.

(b) *Monitoring and corrective action.* The Federal Agency will monitor compliance with this part, and the State Agency shall take whatever corrective action is necessary to comply with the Uniform Act and this part. The Federal Agency may also apply sanctions in accordance with applicable program regulations. (Also see § 24.603, of this part).

(c) *Prevention of fraud, waste, and mismanagement.* The Agency shall take appropriate measures to carry out this part in a manner that minimizes fraud, waste, and mismanagement.

§ 24.5 Manner of notices.

Each notice which the Agency is required to provide to a property owner or occupant under this part, except the notice described at § 24.102(b), shall be personally served or sent by certified or registered first-class mail, return receipt requested, and documented in Agency files. Each notice shall be written in plain, understandable language. Persons who are unable to read and understand the notice must be provided with appropriate translation and counseling. Each notice shall indicate the name and telephone number of a person who may be contacted for answers to questions or other needed help.

§ 24.6 Administration of jointly-funded projects.

Whenever two or more Federal Agencies provide financial assistance to an Agency or Agencies, other than a Federal Agency, to carry out functionally or geographically related activities, which will result in the acquisition of property or the displacement of a person, the Federal Agencies may by agreement designate one such Agency as the cognizant Federal Agency. In the unlikely event that agreement among the Agencies cannot be reached as to which Agency shall be the cognizant Federal Agency, then the Lead Agency shall designate one of such Agencies to assume the cognizant role.

At a minimum, the agreement shall set forth the federally-assisted activities which are subject to its terms and cite any policies and procedures, in addition to this part, that are applicable to the activities under the agreement. Under the agreement, the cognizant Federal Agency shall assure that the project is in compliance with the provisions of the Uniform Act and this part. All federally-assisted activities under the agreement shall be deemed a project for the purposes of this part.

§ 24.7 Federal Agency waiver of regulations.

The Federal Agency funding the project may waive any requirement in this part not required by law if it determines that the waiver does not reduce any assistance or protection provided to an owner or displaced person under this part. Any request for a waiver shall be justified on a case-by-case basis.

§ 24.8 Compliance with other laws and regulations.

The implementation of this part must be in compliance with other applicable Federal laws and implementing regulations, including, but not limited to, the following:

These records shall be retained for at least 3 years after each owner of a property and each person displaced from the property receives the final payment to which he or she is entitled under this part, or in accordance with the applicable regulations of the Federal funding Agency, whichever is later.

(b) *Confidentiality of records.* Records maintained by an Agency in accordance with this part are confidential regarding their use as public information, unless applicable law provides otherwise.

(g) *Determination and notification after appeal.* Promptly after receipt of all information submitted by a person in support of an appeal, the Agency shall make a written determination on the appeal, including an explanation of the basis on which the decision was made, and furnish the person a copy. If the full relief requested is not granted, the Agency shall advise the person of his or her right to seek judicial review of the Agency decision.

(h) *Agency official to review appeal.* The Agency official conducting the review of the appeal shall be either the head of the Agency or his or her authorized designee. However, the official shall not have been directly involved in the action appealed.
