

§91.11

(d) The Assistant Secretary shall, on the basis of the application and such other data as may be available, compute the amount to which such carrier is entitled.

(e) Subject to the provisions of §91.13(b), upon approving the computation made by the Assistant Secretary, the Secretary shall issue such certificate as will entitle each such carrier to payment from the account maintained by the Secretary of the Treasury for this purpose.

§91.11 Standards.

(a) To minimize the burden of implementing this part on the United States, on U.S. flag air carriers and on foreign air carriers, estimates and periodic adjustments will be used to determine the amount of discrimination and compensatory charges therefor.

(b) For the purpose of determining the amount of excessive or otherwise discriminatory charges imposed upon U.S. flag air carriers by an entity:

(1) A service or use of airport or airway property includes, but is not limited to, fueling, food service, ticketing, baggage handling, runways, ramps, parking areas, navigational aids, communications facilities or any other service necessary and incidental to the conduct of a flight.

(2) An excessive or otherwise discriminatory charge includes, but is not limited to, a charge substantially above the cost of providing a service or any charge for a service that is substantially inferior to that which the U.S. flag air carrier could have provided for itself, at the same cost, by contract or otherwise (*see also* §91.3).

(c) In determining the amount of compensatory charge:

(1) The total amount of excessive or otherwise discriminatory charges levied against U.S. flag air carriers will be estimated in dollars.

(2) The total volume of operations to the United States by air carriers of the nation concerned will be estimated for the succeeding six-month period.

(3) The total amount of excessive or otherwise discriminatory charges in paragraph (c)(1) of this section will be divided by the total volume of operations in paragraph (c)(2) of this section, and

49 CFR Subtitle A (10–1–10 Edition)

(4) The quotient thus computed (which may be adjusted to reflect the type of aircraft) will constitute the compensatory charge to be collected as a condition to acceptance of the general declaration at the time of landing or takeoff of such air carriers of the nation concerned.

§91.13 Refunds.

(a) Where, in his discretion, the Secretary finds that good cause has been shown, the Secretary may authorize a refund of collected compensatory charges. For purposes of this section, good cause includes, but is not limited to, an error of fact, a miscalculation, or a determination that an original conclusion of entitlement was insufficient, invalid, erroneous or invalidated by subsequent events.

(b) Notwithstanding the provisions of §91.9(e) the Secretary may suspend for a reasonable time the issuance of a certificate of entitlement upon a showing by a payor of compensatory charges that there is a substantial likelihood that the payor will make a showing of good cause under §91.13(a).

(c) Notwithstanding the provisions of paragraphs (a) and (b) of this section, the issuance of a certificate of entitlement under §91.9(e) or the distribution to U.S. flag air carriers of funds collected under this part shall be with prejudice to any claim for refund under this section.
