

§ 381.310

the regulations would provide an acceptable level of regulatory relief. For example, if you need regulatory relief from one of the recordkeeping requirements concerning driver qualifications, you should not request regulatory relief from all of the requirements of part 391.

§ 381.310 How do I apply for an exemption?

(a) You must send a written request (for example, a typed or handwritten (printed) letter), which includes all of the information required by this section, to the Administrator, Federal Motor Carrier Safety Administration, 1200 New Jersey Ave., SE., Washington, DC 20590-0001.

(b) You must identify the person or class of persons who would be covered by the exemption. The application for an exemption must include:

(1) Your name, job title, mailing address, and daytime telephone number;

(2) The name of the individual or motor carrier that would be responsible for the use or operation of CMVs;

(3) Principal place of business for the motor carrier (street address, city, State, and zip code); and

(4) The USDOT identification number for the motor carrier.

(c) You must provide a written statement that:

(1) Describes the reason the exemption is needed, including the time period during which it is needed;

(2) Identifies the regulation from which you would like to be exempted;

(3) Provides an estimate of the total number of drivers and CMVs that would be operated under the terms and conditions of the exemption;

(4) Assesses the safety impacts the exemption may have;

(5) Explains how you would ensure that you could achieve a level a safety that is equivalent to, or greater than, the level of safety that would be obtained by complying with the regulation; and

(6) Describes the impacts (e.g., inability to test innovative safety management control systems, etc.) you could experience if the exemption is not granted by the FMCSA.

(d) Your application must include a copy of all research reports, technical

§ 381.315 What will the FMCSA do after the agency receives my application for an exemption?

(a) The Federal Motor Carrier Safety Administration will review your application and prepare, for the Administrator's signature, a FEDERAL REGISTER notice requesting public comment on your application for an exemption. The notice will give the public an opportunity to review your request and your safety assessment or analysis (required by § 381.310) and any other relevant information known to the agency.

(b) After a review of the comments received in response to the FEDERAL REGISTER notice described in paragraph (a) of this section, the Federal Motor Carrier Safety Administration will make a recommendation(s) to the Administrator to either to grant or deny the exemption. Notice of the Administrator's decision will be published in the FEDERAL REGISTER.

(c)(1) If the exemption is granted, the notice will identify the provisions of the FMCSRs from which you will be exempt, the effective period, and all terms and conditions of the exemption.

(2) If the exemption is denied, the notice will explain the reason for the denial.

(d) A copy of your application for an exemption and all comments received in response to the FEDERAL REGISTER notice will be included in a public docket and be available for review by interested parties.

(1) Interested parties may view the information contained in the docket by visiting the Department of Transportation, Docket Management Facility, 1200 New Jersey Ave., SE., Washington, DC 20590-0001. All information in the exemption docket will be available for examination at this address from 10 a.m. to 5 p.m., e.t., Monday through Friday, except Federal holidays.

(2) Internet users can access all information received by the Department of Transportation, Docket Management Facility by using the Federal Docket Management System using the uniform resources locator (URL): <http://>

www.regulations.gov. It is available 24 hours each day, 365 days each year. Please follow the instructions online for more information and help.

§ 381.320 How long will it take the agency to respond to my application for an exemption?

The agency will attempt to issue a final decision within 180 days of the date it receives your application. However, if you leave out important details or other information necessary for the FMCSA to prepare a meaningful request for public comments, the agency will attempt to issue a final decision within 180 days of the date it receives the additional information.

§ 381.325 Who should I contact if I have questions about the information I am required to submit to the FMCSA or about the status of my application for an exemption?

You should contact the Federal Motor Carrier Safety Administration, Office of Bus and Truck Standards and Operations (MC-PS), 1200 New Jersey Ave., SE., Washington, DC 20590-0001.

[63 FR 67608, Dec. 8, 1998, as amended at 72 FR 55700, Oct. 1, 2007]

§ 381.330 What am I required to do if the FMCSA grants my application for an exemption?

(a) You must comply with all the terms and conditions of the exemption.

(b) The FMCSA will immediately revoke your exemption if:

(1) You fail to comply with the terms and conditions of the exemption;

(2) The exemption has resulted in a lower level of safety than was maintained before the exemption was granted; or

(3) Continuation of the exemption is determined by the FMCSA to be inconsistent with the goals and objectives of the FMCSRs.

Subpart D—Initiation of Pilot Programs

§ 381.400 What is a pilot program?

(a) A pilot program is a study in which temporary regulatory relief from one or more FMCSR is given to a per-

son or class of persons subject to the regulations, or a person or class of persons who intend to engage in an activity that would be subject to the regulations.

(b) During a pilot program, the participants would be given an exemption from one or more sections or parts of the regulations for a period of up to three years.

(c) A pilot program is intended for use in collecting specific data for evaluating alternatives to the regulations or innovative approaches to safety while ensuring that the safety performance goals of the regulations are satisfied.

(d) The number of participants in the pilot program must be large enough to ensure statistically valid findings.

(e) Pilot programs must include an oversight plan to ensure that participants comply with the terms and conditions of participation, and procedures to protect the health and safety of study participants and the general public.

(f) Exemptions for pilot programs may be granted only from one or more of the requirements contained in the following parts and sections of the FMCSRs:

(1) Part 382—Controlled Substances and Alcohol Use and Testing;

(2) Part 383—Commercial Driver's License Standards; Requirements and Penalties;

(3) Part 391—Qualifications of Drivers;

(4) Part 392—Driving of Commercial Motor Vehicles;

(5) Part 393—Parts and Accessories Necessary for Safe Operation;

(6) Part 395—Hours of Service of Drivers;

(7) Part 396—Inspection, Repair, and Maintenance (except for §396.25); and

(8) Part 399—Step, Handhold and Deck Requirements.

§ 381.405 Who determines whether a pilot program should be initiated?

(a) Generally, pilot programs are initiated by the FMCSA when the agency determines that there may be an effective alternative to one or more of the requirements in the FMCSRs, but does not have sufficient research data to support the development of a notice of
