§ 385.319 What will the safety audit consist of?

The safety audit will consist of a review of the new entrant’s safety management systems and a sample of required records to assess compliance with the FMCSRs, applicable HMRs and related record-keeping requirements as specified in appendix A of this part. The areas for review include, but are not limited to, the following:

(a) Driver qualification;
(b) Driver duty status;
(c) Vehicle maintenance;
(d) Accident register; and
(e) Controlled substances and alcohol use and testing requirements.

§ 385.313 Who will conduct the safety audit?

An individual certified under the FMCSA regulations to perform safety audits will conduct the safety audit.

§ 385.315 Where will the safety audit be conducted?

The safety audit will generally be conducted at the new entrant’s business premises.

§ 385.317 Will a safety audit result in a safety fitness determination by the FMCSA?

A safety audit will not result in a safety fitness determination. Safety fitness determinations follow completion of a compliance review.

§ 385.319 What happens after completion of the safety audit?

(a) Upon completion of the safety audit, the auditor will review the findings with the new entrant.
(b) Pass. If FMCSA determines the safety audit discloses the new entrant has adequate basic safety management controls, the Agency will provide the new entrant written notice as soon as practicable, but not later than 45 days after completion of the safety audit, that it has adequate basic safety management controls. The new entrant’s safety performance will continue to be closely monitored for the remainder of the 18-month period of new entrant registration.
(c) Fail. If FMCSA determines the safety audit discloses the new entrant’s basic safety management controls are
