§ 388.6 Joint investigation, inspection, or examination.

Upon agreement by the Field Administrator and the appropriate State authority, there will be conducted a joint investigation, inspection, or examination of the property, equipment, or records of motor carriers or others, for the enforcement of the safety and hazardous materials laws and regulations of the United States concerning highway transportation. The said Field Administrator and the appropriate State authority shall decide as to the location and time, the objectives sought, and the identity of the person who will supervise the joint effort and make the necessary decisions. Any agent or employee of either agency who has personal knowledge of pertinent facts shall be made available when necessary to testify as a witness in an enforcement proceeding or other action.

§ 388.7 Joint administrative activities related to enforcement of safety and hazardous materials laws and regulations.

To facilitate the interchange of information and evidence, and the conduct of joint investigation and administrative action, the Field Administrator and the appropriate State authority shall, when warranted, schedule joint conferences of staff members of both agencies. Information shall be exchanged as to the nature and extent of the authority and capabilities of the respective agencies to enforce the safety and hazardous materials laws and regulations of the State or of the United States concerning motor carrier transportation. The Federal Motor Carrier Safety Administration and the State (or appropriate State authority) shall use their best efforts to inform each other of changes in their rules and regulations and cooperate with and assist each other in conducting training schools for Federal and State enforcement officials engaged in such duties.

§ 388.8 Supplemental agreements.

The terms specified in this part may be supplemented from time to time by specific agreement between the Federal Motor Carrier Safety Administration and the appropriate State authority in order to further implement the provisions of 49 U.S.C. 502.
