§ 583.17  Reporting.

For each model year, manufacturers shall submit to the Administrator 3 copies of the information required by §583.5(a) to be placed on a label for each carline. The information for each carline jointly owned and/or produced by more than one manufacturer shall be attributed to the single manufacturer that markets the carline, subject to paragraph (b) of this section.

(b)(1) The joint owners of a carline may designate, by written agreement, the manufacturer of record of that carline.

(b)(2) The manufacturer of record is responsible for compliance with all the manufacturer requirements in this part with respect to the jointly owned carline. However, carline determinations must be consistent with §583.4(3).

(b)(3) A designation under this section of a manufacturer of record is effective beginning after the conclusion of the written agreement, or, if the joint owners so agree in writing, with a specified later model year.

(b)(4) Each manufacturer of record shall send to the Administrator written notification of its designation as such not later than 30 days after the conclusion of the written agreement, and state the carline of which it is considered the manufacturer, the names of the other persons which jointly own the carline, and the name of the person, if any, formerly considered to be the manufacturer of record.

(b)(5) The joint owners of a carline may change the manufacturer of record for a future model year by concluding a written agreement before the beginning of that model year.

(b)(6) The allied suppliers for the jointly owned carline are the suppliers that are wholly owned by any of the manufacturers of the jointly owned carline.

§ 583.16  Maintenance of records.

(a) General. Each manufacturer of new passenger motor vehicles and each supplier of passenger motor vehicle equipment subject to this part shall establish, maintain, and retain in organized and indexed form, records as specified in this section. All records, including the certificates provided by suppliers, may be stored in any mode provided the mode contains all information in the records and certificates.

(b) Manufacturers. Each manufacturer shall maintain all records which provide a basis for the information it provides on the labels required by §583.5, including, but not limited to, certificates from suppliers, parts lists, calculations of content, and relevant contracts with suppliers. The records shall be maintained for five years after December 31 of the model year to which the records relate.

(c) Suppliers. Each supplier shall maintain all records which form a basis for the information it provides on the certificates required by §§583.10, 583.11, and 583.12, including, but not limited to, calculations of content, certificates from manufacturers and suppliers, and relevant contracts with manufacturers and suppliers. The records shall be maintained for six years after December 31 of the calendar year set forth in the date of each certificate.

§ 583.15  Joint ownership.

(a) A carline jointly owned and/or produced by more than one manufacturer shall be attributed to the single manufacturer that markets the carline, subject to paragraph (b) of this section.

(b)(1) The joint owners of a carline may designate, by written agreement, the manufacturer of record of that carline.

(b)(2) The manufacturer of record is responsible for compliance with all the manufacturer requirements in this part with respect to the jointly owned carline. However, carline determinations must be consistent with §583.4(3).

(b)(3) A designation under this section of a manufacturer of record is effective beginning after the conclusion of the written agreement, or, if the joint owners so agree in writing, with a specified later model year.

(b)(4) Each manufacturer of record shall send to the Administrator written notification of its designation as such not later than 30 days after the conclusion of the written agreement, and state the carline of which it is considered the manufacturer, the names of the other persons which jointly own the carline, and the name of the person, if any, formerly considered to be the manufacturer of record.

(b)(5) The joint owners of a carline may change the manufacturer of record for a future model year by concluding a written agreement before the beginning of that model year.

(b)(6) The allied suppliers for the jointly owned carline are the suppliers that are wholly owned by any of the manufacturers of the jointly owned carline.
