Any person seeking to import a motor vehicle or motor vehicle equipment pursuant to these sections shall submit, in advance of such importation, a written request to the Administrator containing a full and complete statement identifying the vehicle or equipment, its make, model, model year or date of manufacture, VIN, and mileage at the time the request is made. The importer’s written request to the Administrator shall explain why the vehicle or equipment item is of historical or technological interest. The importer shall also provide a statement that, until the vehicle is not less than 25 years old, (s)he shall not sell, or transfer possession of, or title to, the vehicle, and shall not license it for use, or operate it on the public roads, except under such terms and conditions as the Administrator may authorize. If the importer wishes to operate the vehicle on the public roads, the request to the Administrator shall include a description of the purposes for which (s)he wishes to use it on the public roads, a copy of an insurance policy or a contract to acquire an insurance policy, which contains as a condition thereof that the vehicle will not accumulate mileage of more than 2,500 miles in any 12-month period and a statement that the importer shall maintain such policy in effect until the vehicle is not less than 25 years old, a statement that the importer will allow the Administrator to inspect the vehicle at any time after its importation to verify that the accumulated mileage of the vehicle is not more than 2,500 miles in any 12-month period, and a statement that the vehicle will not be used on the public roads unless it is in compliance with the regulations of the Environmental Protection Agency.

(2) A declaration made pursuant to §591.5(j)(2)(ii) shall be accompanied by the written statement of its importer describing the use to be made of the vehicle or equipment item. § 591.7 Restrictions on importations.

(a) A vehicle or equipment item which has entered the United States under a declaration made pursuant to § 591.5(j), and for which a Temporary Importation Bond has been provided to the Secretary of the Treasury, shall not remain in the United States for a period that exceeds 3 years from its date of entry.

(b) If the importer of a vehicle or equipment item under § 591.5(j) does not intend to export or destroy the vehicle or equipment item not later than 3 years after the date of entry, and intends to pay duty to the U.S. Customs Service on such vehicle or equipment item, the importer shall request permission in writing from the Administrator for the vehicle or equipment item to remain in the United States for an additional period of time not to exceed 5 years from the date of entry. Such a request must be received not later than 60 days before the date that is 3 years after the date of entry. Such vehicle or equipment item shall not remain in the United States for a period that exceeds 5 years from the date of entry, unless further written permission has been obtained from the Administrator.

(c) An importer of a vehicle which has entered the United States under a declaration made pursuant to § 591.5(j)(2)(i) shall not sell, or transfer possession of, or title to, the vehicle, and shall not license it for use, or operate it on the public roads, except under such terms and conditions as the Administrator may authorize in writing. An importer of a vehicle which has entered the United States under a declaration made pursuant to § 591.5(j)(2)(ii) shall at all times retain title to it.

(d) Any violation of a term or condition imposed by the Administrator in a letter authorizing importation for on-road use under § 591.5(j), or a change of status under paragraph (e) of this section, including a failure to allow inspection upon request to verify that the accumulated mileage of the vehicle is not more than 2,500 miles in any 12-month period, shall be considered a violation of 49 U.S.C. 30122(a) for which a civil penalty may be imposed. Such a violation will also act to void the authorization and require the exportation of the vehicle. With respect to importations under § 591.6(f)(2) or a change of status to an importation for show or display as provided under paragraph (e) of this section, if the Administrator has reason to believe that a violation has occurred, the Administrator may tentatively conclude that a term of entry has been violated, but shall make no final conclusion until the importer or owner has been afforded an opportunity to present data, views, and arguments as to why there is no violation or why a penalty should not be imposed.

(e) If the importer of a vehicle under § 591.5(f)(2)(ii) has been notified in writing by the Registered Importer with which it has executed a contract or other agreement that the registration of the Registered Importer has been suspended (for other than the first time) or revoked, pursuant to § 592.7 of this chapter, and that it therefore may not release the vehicle for the importer, the importer shall execute a contract or other agreement with another Registered Importer for the certification of the vehicle and submission of the certification of conformance to the Administrator. The Administrator shall toll the 120-day period for submission of a certification to the Administrator pursuant to § 592.6(d) of this chapter, and that it therefore may not release the vehicle for the importer, the importer shall execute a contract or other agreement with another Registered Importer for the certification of the vehicle and submission of the certification of conformance to the Administrator. The Administrator shall toll the 120-day period for submission of a certification to the Administrator pursuant to § 592.6(d) of this chapter during the period from the date of the Registered Importer's notification to the importer until the date of the contract with the substitute Registered Importer.
