(f) If completion of a transaction requires the transfer of operating authorities or registrations from one or more parties to others, the parties shall comply with relevant procedures of the Office of Motor Carriers of the U.S. Department of Transportation, and comply with ministerial requirements of relevant State procedures.

§ 1182.9 Notices of exemption.

(a) A transaction within a motor passenger corporate family is exempt from 49 U.S.C. 14303 if it does not result in adverse changes in service levels, significant operational changes, or a change in the competitive balance with motor passenger carriers outside the corporate family. The Board has found that its prior review and approval of these transactions is not necessary to carry out the transportation policy of 49 U.S.C. 13101; regulation is not necessary to protect shippers from abuse of market power; and an exemption is in the public interest. See 49 U.S.C. 13541(a).

(b) To qualify for a class exemption, a party must file a verified notice of the exempt transaction with the Board. The notice shall contain a brief summary of the proposed transaction, the name of the applicants, their business address and telephone number, and the name of counsel to whom questions would be addressed. The notice shall describe the purpose of the transaction and give the proposed consummation date for the transaction, which must be at least 7 days after the filing of the notice. The notice shall describe any contracts or agreements that have been entered into, or will be entered into, concerning the transaction, and shall indicate the impact, if any, that the transaction would have on employees.

(c) The Board shall publish notice of the exemption in the FEDERAL REGISTER within 30 days from the filing of the verified notice of exemption. If the notice contains false or misleading information, the Board shall summarily
