

(b) Data developed in response to paragraph (a) of this section must include at least the following, except as authorized by TSA:

(1) The number and type of weapons, explosives, or incendiaries discovered during any passenger-screening process, and the method of detection of each.

(2) The number of acts and attempted acts of aircraft piracy.

(3) The number of bomb threats received, real and simulated bombs found, and actual detonations on the airport.

(4) The number of arrests, including—

(i) Name, address, and the immediate disposition of each individual arrested;

(ii) Type of weapon, explosive, or incendiary confiscated, as appropriate; and

(iii) Identification of the aircraft operators or foreign air carriers on which the individual arrested was, or was scheduled to be, a passenger or which screened that individual, as appropriate.

Subpart D—Contingency Measures

§ 1542.301 Contingency plan.

(a) Each airport operator required to have a security program under § 1542.103(a) and (b) must adopt a contingency plan and must:

(1) Implement its contingency plan when directed by TSA.

(2) Conduct reviews and exercises of its contingency plan as specified in the security program with all persons having responsibilities under the plan.

(3) Ensure that all parties involved know their responsibilities and that all information contained in the plan is current.

(b) TSA may approve alternative implementation measures, reviews, and exercises to the contingency plan which will provide an overall level of security equal to the contingency plan under paragraph (a) of this section.

§ 1542.303 Security Directives and Information Circulars.

(a) TSA may issue an Information Circular to notify airport operators of security concerns. When TSA determines that additional security meas-

ures are necessary to respond to a threat assessment or to a specific threat against civil aviation, TSA issues a Security Directive setting forth mandatory measures.

(b) Each airport operator must comply with each Security Directive issued to the airport operator within the time prescribed in the Security Directive.

(c) Each airport operator that receives a Security Directive must—

(1) Within the time prescribed in the Security Directive, verbally acknowledge receipt of the Security Directive to TSA.

(2) Within the time prescribed in the Security Directive, specify the method by which the measures in the Security Directive have been implemented (or will be implemented, if the Security Directive is not yet effective).

(d) In the event that the airport operator is unable to implement the measures in the Security Directive, the airport operator must submit proposed alternative measures and the basis for submitting the alternative measures to TSA for approval. The airport operator must submit the proposed alternative measures within the time prescribed in the Security Directive. The airport operator must implement any alternative measures approved by TSA.

(e) Each airport operator that receives a Security Directive may comment on the Security Directive by submitting data, views, or arguments in writing to TSA. TSA may amend the Security Directive based on comments received. Submission of a comment does not delay the effective date of the Security Directive.

(f) Each airport operator that receives a Security Directive or an Information Circular and each person who receives information from a Security Directive or an Information Circular must:

(1) Restrict the availability of the Security Directive or Information Circular, and information contained in either document, to those persons with an operational need-to-know.

(2) Refuse to release the Security Directive or Information Circular, and information contained in either document, to persons other than those who have an operational need to know without the prior written consent of TSA.
