§ 837.506 Computation of redetermined annuity for former employees of nonappropriated fund instrumentalities.

(a) The redetermined annuity of a former employee of a nonappropriated fund instrumentality who elected CSRS or FERS coverage under 5 CFR part 847, subpart D, is recomputed under 5 CFR part 847, subpart F.

(b) The redetermined annuity of a former employee of a nonappropriated fund instrumentality who elected CSRS or FERS retirement credit under 5 CFR part 847, subpart H, is recomputed under 5 CFR part 847, subpart I.

[68 FR 2178, Jan. 16, 2003]

Subpart F—Death Benefits

§ 837.601 Generally.

Except as otherwise provided by this subpart, when an annuitant who is reemployed under circumstances that provide for continuation of annuitant status during reemployment dies, death benefits are payable under CSRS or FERS as if the individual died as an annuitant, and not as employee.

§ 837.602 Lump-sum payment of retirement deductions.

If an annuitant reemployed subject to the provisions of this part dies while so reemployed, and the annuitant would not have been entitled to a supplemental annuity, had the separation been for reasons other than death, and if there is no supplemental spousal survivor annuity payable (including a survivor annuity payable to a former spouse, if the annuitant retired under FERS) the amount of the spousal survivor annuity will, if any necessary deposit for service credit is made, be increased by 55 percent of the supplemental annuity, if the reemployed annuitant was retired under CSRS, or 50 percent of the supplemental annuity, if the reemployed annuitant was retired under FERS.

§ 837.603 Increased survivor benefits.

(a) Supplemental survivor annuity. (1) If an annuitant reemployed subject to the provisions of this part dies while so reemployed, and the annuitant would have been entitled to a supplemental annuity, had the separation been for reasons other than death, and there is a spousal survivor annuity payable (including a survivor annuity payable to a former spouse, if the annuitant retired under FERS) the amount of the spousal survivor annuity will, if any necessary deposit for service credit is made, be increased by 55 percent of the supplemental annuity, if the reemployed annuitant was retired under CSRS, or 50 percent of the supplemental annuity, if the reemployed annuitant was retired under FERS.

(2) Supplemental survivor annuity benefits payable under this paragraph, computed in whole or in part under the provisions of §837.503(b)(1) of this part, using CSRS-Offset service, are subject to reduction under subpart G of this part.

(b) Redetermined survivor annuity. If an annuitant reemployed subject to the provisions of this part dies while so reemployed, and the annuitant would have been entitled to elect a redetermined annuity, had the separation been for reasons other than death, and if there is a spousal survivor annuity payable (including a survivor annuity payable to a former spouse, if the annuitant retired under FERS), a person entitled to a spousal survivor annuity may elect to have his or her survivor annuity computed as if the annuitant had elected a redetermined annuity, provided any necessary deposit for service credit is made.

Subpart G—CSRS Offset

§ 837.701 Offset from supplemental annuity.

(a) OPM will reduce the supplemental annuity of an individual who has performed CSRS-Offset service, if the individual is entitled, or on proper application would be entitled, to old-age benefits under title II of the Social Security Act.

(b) The reduction required under paragraph (a) of this section is effective on the first day of the month during which the reemployed annuitant—(1) Is entitled to a supplemental annuity under this part; and
(2) Is entitled, or on proper application would be entitled, to old-age benefits under title II of the Social Security Act.

(c) Subject to paragraphs (d) and (e) of this section, the amount of the reduction required under paragraph (a) of this section is the lesser of—

(1) The difference between—

(i) The social security old-age benefit for the month referred to in paragraph (b) of this section; and

(ii) The old-age benefit that would be payable to the individual for the month referred to in paragraph (b) of this section, excluding all CSRS-Offset wages as a reemployed annuitant, and assuming the annuitant was fully insured as defined by section 214(a) of the Social Security Act; or

(2) The product of—

(i) The old-age benefit to which the individual is entitled or would, on proper application, be entitled; and

(ii) A fraction—

(A) The numerator of which is the annuitant's total CSRS-Offset service as a reemployed annuitant, rounded to the nearest whole number of years not exceeding 40 years; and

(B) The denominator of which is 40.

(d) Cost-of-living adjustments under 5 U.S.C. 8340 occurring after the effective date of the reduction required under paragraph (a) of this section will be based on only the supplemental annuity remaining after reduction under this subpart.

(e) The amounts for paragraphs (c)(1)(i), (c)(1)(ii), and (c)(2)(i) of this section are computed without regard to subsections (b) through (1) of section 203 of the Social Security Act (relating to reductions in social security benefits), and without applying the provisions of the second sentence of section 215(a)(7)(B)(i) or section 215(d)(5)(ii) of the Social Security Act (relating to part of the computation of the social security windfall elimination provisions).

(f) OPM will accept the determination of the Social Security Administration, submitted in a form prescribed by OPM, concerning entitlement to social security benefits and the beginning and ending dates thereof.

§ 837.702 Offset from supplemental survivor annuity.

(a) OPM will reduce a supplemental survivor annuity (an annuity under 5 U.S.C. 8341) based on the service of an individual who performed CSRS-Offset service, if the survivor annuitant is entitled, or on proper application would be entitled, to survivor benefits under section 202(d), (e), or (f) (relating to children’s, widows’, and widowers’ benefits, respectively) of the Social Security Act.

(b) The reduction required under paragraph (a) of this section begins (or is reinstated) on the first day of the month during which the survivor annuitant—

(1) Is entitled to a disability or survivor annuity under CSRS; and

(2) Is entitled, or on proper application would be entitled, to survivor benefits under the Social Security Act provisions mentioned in paragraphs (a) and (c) of this section, respectively.

(c) The reduction under paragraphs (a) of this section will be computed and adjusted in a manner consistent with the provisions of § 837.701 (c) through (e) of this part.

(d) A reduction under paragraph (a) of this section stops on the date entitlement to the disability or survivor benefits under title II of the Social Security Act terminates. In the case of a survivor annuitant who has not made proper application for the social security benefit, the reduction under paragraph (a) of this section stops on the date entitlement to such survivor benefits would otherwise terminate. If a social security benefit is reduced under any provision of the Social Security Act, even if reduced to zero, entitlement to that benefit is not considered to have terminated.

(e) OPM will accept the determination or certification of the Social Security Administration, submitted in a form prescribed by OPM, concerning entitlement to social security survivor benefits and the beginning and ending dates thereof.
