By agreement with the carrier and where good cause exists, OPM may accept payment from carrier reserves for credit to the contingency reserve in an amount and under conditions other than those specified in paragraph (c) of this section. For carriers funded by LOC, the returned amount will be withdrawn from the plan’s LOC account.

Upon reorganization or merger of a plan, OPM must credit to the surviving plan the reserves of the reorganized or merged plan. If more than one plan survives, the reserves must be divided among the surviving plans in proportion to the number of enrollees continuing to subscribe to the surviving plans.
