

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1207.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the benefits and services of the program or activity.

§§ 1207.161–1207.169 [Reserved]

§ 1207.170 Compliance procedures.

(a) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(b) *Allegations of discrimination in the adjudication of a Board case.* (1) When a party to a case pending before any of the Board’s judges believes he or she has been subjected to discrimination on the basis of disability in the adju-

dication of the case, the party may raise the allegation in a pleading filed with the judge and served on all other parties in accordance with 5 CFR 1201.26(b)(2).

(2) An allegation of discrimination in the adjudication of a Board case must be raised within 10 days of the alleged act of discrimination or within 10 days from the date the complainant should reasonably have known of the alleged discrimination. If the complainant does not submit a complaint within that time period, it will be dismissed as untimely filed unless a good reason for the delay is shown. The pleading must be clearly marked “5 CFR part 1207 allegation of discrimination in the adjudication of a Board case.”

(3) The judge to whom the case is assigned shall decide the merits of any timely allegation that is raised at this stage of adjudication, and shall make findings and conclusions regarding the allegation either in an interim order or in the initial decision, recommended decision, or recommendation. Any request for reconsideration of the administrative judge’s decision on the disability discrimination claim must be filed in accordance with the requirements of 5 CFR 1201.114 and 1201.115.

(4) If the judge to whom the case was assigned has issued the initial decision, recommended decision, or recommendation by the time the party learns of the alleged discrimination, the party may raise the allegation in a petition for review, cross petition for review, or response to the petition or cross petition. The petition for review, cross petition for review or response to the petition or cross petition must be clearly marked “5 CFR part 1207 allegation of discrimination in the adjudication of a Board case.”

(5) The Board shall decide the merits of any timely allegation that is raised at this stage of adjudication in a final decision.

(c) All complaints of discrimination on the basis of disability in programs and activities conducted by the agency, except for those described in paragraphs (a) and (b) of this section, shall be filed under the procedures described in this paragraph.

(1) *Who may file.* Any person who believes that he or she has been subjected

to discrimination prohibited by this part, or authorized representative of such person, may file a complaint. Any person who believes that any specific class of persons has been subjected to discrimination prohibited by this part and who is a member of that class or the authorized representative of a member of that class may file a complaint. A charge on behalf of a person or member of a class of persons claiming to be aggrieved may be made by any person, agency or organization.

(2) *Where and when to file.* Complaints shall be filed with the Director, Office of Equal Employment Opportunity (EEO Director), Merit Systems Protection Board, 1615 M Street, NW., Washington DC 20419, or e-mailed to equalopportunity@mspb.gov, within thirty-five (35) calendar days of the alleged act of discrimination. A complaint filed by personal delivery is considered filed on the date it is received by the EEO Director. The date of filing by facsimile or e-mail is the date the facsimile or e-mail is sent. The date of filing by mail is determined by the postmark date; if no legible postmark date appears on the mailing, the submission is presumed to have been mailed five days (excluding days on which the Board is closed for business) before its receipt. The date of filing by commercial overnight delivery is the date the document was delivered to the commercial overnight delivery service. The agency shall extend the time period for filing a complaint upon a showing of good cause. For example, the agency shall extend this time limit if a complainant shows that he or she was prevented by circumstances beyond his or her control from submitting the matter within the time limits.

(3) *Acceptance of complaint.* (i) The agency shall accept a complete complaint that is filed in accordance with paragraph (c) of this section and over which it has jurisdiction. The EEO Director shall notify the complainant of receipt and acceptance of the complaint.

(ii) If the EEO Director receives a complaint that is not complete, he or she shall notify the complainant that additional information is needed. If the complainant fails to complete the complaint and return it to the EEO Direc-

tor within 15 days of his or her receipt of the request for additional information, the EEO Director shall dismiss the complaint with prejudice and shall so inform the complainant.

(4) Within 60 days of the receipt of a complete complaint for which it has jurisdiction, the EEO Director shall notify the complainant of the results of the investigation in an initial decision containing—

(i) Findings of fact and conclusions of law;

(ii) When applicable, a description of a remedy for each violation found; and

(iii) A notice of the right to appeal.

(5) Any appeal of the EEO Director's initial decision must be filed with the Chairman of the Board, Merit Systems Protection Board, 1615 M Street, NW., Washington, DC 20419 by the complainant within 35 days of the date the EEO Director issues the decision required by §1207.170(c)(4). The agency may extend this time for good cause when a complainant shows that circumstances beyond his or her control prevented the filing of an appeal within the prescribed time limit. An appeal filed by personal delivery is considered filed on the date it is received by the Chairman. The date of filing by facsimile is the date of the facsimile. The date of filing by mail is determined by the postmark date; if no legible postmark date appears on the mailing, the submission is presumed to have been mailed five days (excluding days on which the Board is closed for business) before its receipt. The date of filing by commercial overnight delivery is the date the document was delivered to the commercial overnight delivery service. The appeal should be clearly marked "Appeal of Section 504 Decision" and must contain specific objections explaining why the person believes the initial decision was factually or legally wrong. A copy of the initial decision being appealed should be attached to the appeal letter.

(6) A timely appeal shall be decided by the Chairman unless the Chairman determines, in his or her discretion, that the appeal raises policy issues and that the nature of those policy issues warrants a decision by the full Board. The full Board shall then decide such appeals.

§§ 1207.171–1207.999

(7) The Chairman shall notify the complainant of the results of the appeal within sixty (60) days of the receipt of the request. If the Chairman determines that he or she needs additional information from the complainant, he or she shall have sixty (60) days from the date he or she receives the additional information to make his or her determination on the appeal.

(8) The time limit stated in paragraph (c)(2) may be extended by the EEO Director to a period of up to 180 days, and may be extended further with the permission of the Assistant Attorney General. The time limit stated in paragraph (c)(5) may be extended by the Chairman to a period of up to 180 days, and may be extended further with the permission of the Assistant Attorney General.

(9) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

(d) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with disabilities.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate entity.
