will be transferred to an eligible employer plan or traditional IRA.)

§ 1650.25 [Reserved]

Subpart D—In-Service Withdrawals

§ 1650.31 Age-based withdrawals.

(a) A participant who has reached age 59 1/2 and who has not separated from Government employment is eligible to withdraw all or a portion of his or her vested TSP account balance in a single payment. The amount of an age-based withdrawal request must be at least $1,000, unless the withdrawal request is for the entire vested account balance.

(b) An age-based withdrawal is an eligible rollover distribution, so a participant may request that the TSP transfer all or a portion of the withdrawal to a traditional IRA or an eligible employer plan.

(c) A participant is permitted only one age-based withdrawal for an account.

(d) A participant who makes an age-based withdrawal is not eligible to make a partial withdrawal after separating from Government service.

§ 1650.32 Financial hardship withdrawals.

(a) A participant who has not separated from Government employment and who can certify that he or she has a financial hardship is eligible to withdraw all or a portion of his or her own contributions to the TSP (and their attributable earnings) in a single payment to meet certain specified financial obligations. The amount of a financial hardship withdrawal request must be at least $1,000.

(b) To be eligible for a financial hardship withdrawal, a participant must have a financial need that results from at least one of the following four conditions:

1. The participant’s monthly cash flow is negative (i.e., the participant’s income is less than his or her monthly expenses on a recurring basis);
2. The participant has incurred medical expenses as a result of a medical condition, illness, or injury to the participant, the participant’s spouse, or the participant’s dependents. Generally, eligible expenses are those that would be eligible for deduction as medical expenses for Federal income tax purposes. Eligible medical expenses include the cost of household improvements required as a result of a medical condition, illness or injury. Household improvements are structural improvements to the participant’s living quarters or the installation of special equipment that is necessary to accommodate the circumstances of the incapacitated person.
3. The participant must have paid the cost of repair or replacement resulting from a personal casualty loss that would be eligible for deduction for Federal Income tax purposes, but without regard to the IRS income limitations on deductibility, fair market value of the property, or number of events. Personal casualty loss includes damage, destruction, or loss of property resulting from a sudden, unexpected, or unusual event, such as an earthquake, hurricane, tornado, flood, storm, fire, or theft.
4. The participant must have paid attorney fees and court costs associated with separation or divorce. Court-ordered payments to a spouse or former spouse and child support payments are not allowed, nor are costs of obtaining prepaid legal services or other coverage for legal services.

(c) When determining financial hardship needs, a participant cannot use any expenses that are already paid or are reimbursable to the participant by insurance or otherwise.

(d) The amount of a participant’s financial hardship withdrawal cannot exceed the smallest of the following:

1. The amount requested; or
2. The amount in the participant’s account that is equal to his or her own contributions and attributable earnings.

(e) The participant must certify that he or he has a financial hardship as described on the hardship withdrawal form, and that the dollar amount of the withdrawal request does not exceed the actual amount of the financial hardship.

(f) A participant is not eligible for an in-service hardship withdrawal based solely on monthly negative cash flow...
