(2) Notwithstanding paragraph (c)(1) of this section, for taxable years beginning after December 31, 1970, and ending prior to January 1, 1972, deposits made later than the last date permitted under paragraph (c)(1) of this section but on or before January 9, 1973, in a capital construction fund pursuant to an agreement with the Secretary of Commerce, acting by and through the Administrator of the National Oceanic and Atmospheric Administration, shall be deemed to have been made on the date of the actual deposit or as of the close of business of the last regular business day of such taxable year, whichever is earlier.

(d) Nothing in this section shall alter the rules and regulations governing the timing of deposits with respect to existing capital and special reserve funds or with respect to the treatment of deposits for any taxable year or years other than a taxable year or years beginning after December 31, 1969, and before January 1, 1972.<sup>1</sup>

**§ 259.30 Application for Interim Capital Construction Fund Agreement (“Interim CCF Agreement”).**

(a) *General qualifications.* To be eligible to enter into an Interim CCF Agreement an applicant must:

(1) Be a citizen of the United States (citizenship requirements are those for documenting vessels in the coastwise trade within the meaning of section 2 of the Shipping Act, 1916, as amended);

<sup>1</sup>The phrase “existing capital and special reserve funds” does not refer to the Capital Construction Fund program but rather to funds established with the Maritime Administration prior to the amendment of the Merchant Marine Act, 1936, which authorized the Capital Construction Fund program.

(2) Own or lease one or more eligible vessels (as defined in section 607(k)(1) of the Act) operating in the foreign or domestic commerce of the United States.

(3) Have an acceptable program for the acquisition, construction, or reconstruction of one or more qualified vessels (as defined in section 607(k)(2) of the Act). Qualified vessels must be for commercial operation in the fisheries of the United States. If the qualified vessel is 5 net tons or over, it must be documented in the fisheries of the United States. Dual documentation in both the fisheries and the coastwise trade of the United States is permissible. Any vessel which will carry fishing parties for hire must be inspected and certified (under 46 CFR part 176) by the U.S. Coast Guard as qualified to carry more than six passengers or demonstrate to the Secretary’s satisfaction that the carrying of fishing parties for hire will constitute its primary activity. The program must be a firm representation of the applicant’s actual intentions. Vague or contingent objectives will not be acceptable.

(b) *Content of application.* Applicants seeking an Interim CCF Agreement may make application by letter providing the following information:

(1) Proof of U.S. citizenship;

(2) The first taxable year for which the Interim CCF Agreement is to apply (see § 259.33 for the latest time at which applications for an Interim CCF Agreement relating to a previous taxable year may be received);

(3) The following information regarding each “eligible vessel” which is to be incorporated in Schedule A of the Interim CCF Agreement for purposes of making deposits into a CCF pursuant to section 607 of the Act:

(i) Name of vessel,

(ii) Official number, or, in the case of vessels under 5 net tons, the State registration number where required,

(iii) Type of vessel (i.e., catching vessel, processing vessel, transporting vessel, charter vessel, barge, passenger carrying fishing vessel, etc.),

(iv) General characteristic (i.e., net tonnage, fish-carrying capacity, age, length, type of fishing gear, number of

passengers carried or in the case of vessels operating in the foreign or domestic commerce the various uses of the vessel, etc.),

(v) Whether owned or leased and, if leased, the name of the owner, and a copy of the lease,

(vi) Date and place of construction,

(vii) If reconstructed, date of redelivery and place of reconstruction,

(viii) Trade (or trades) in which vessel is documented and date last documented,

(ix) If a fishing vessel, the fishery of operation (which in this section means each species or group of species—each species must be specifically identified by acceptable common names—of fish, shellfish, or other living marine resources which each vessel catches, processes, or transports or will catch, process, or transport for commercial purposes such as marketing or processing the catch),

(x) If a fishing vessel, the area of operation (which for fishing vessels means the general geographic areas in which each vessel will catch, process, or transport, or charter for each species or group of species of fish, shellfish, or other living marine resources).

(4) The specific objectives to be achieved by the accumulation of assets in a Capital Construction Fund (to be incorporated in Schedule B of the Interim CCF Agreement) including:

(i) Number of vessels,

(ii) Type of vessel (i.e., catching, processing, transporting, or passenger carrying fishing vessel),

(iii) General characteristics (i.e., net tonnage, fish-carrying capacity, age, length, type of fishing gear, number of passengers carried),

(iv) Cost of projects,

(v) Amount of indebtedness to be paid for vessels to be constructed, acquired, or reconstructed (all notes, mortgages, or other evidences of the indebtedness must be submitted as soon as available, together with sufficient additional evidence to establish that full proceeds of the indebtedness to be paid from a CCF under an Interim CCF Agreement, were used solely for the purpose of the construction, acquisition, or reconstruction of Schedule B vessels),

(vi) Date of construction, acquisition, or reconstruction,

(vii) Fishery of operation (which in this section means each species or group of species—each species must be specifically identified by acceptable common name—of fish, shellfish, or other living marine resources),

(viii) Area of operation (which in this section means the general geographic areas in which each vessel will operate for each species or group of species of fish, shellfish, or other living marine resources).

(c) *Filing.* The application must be signed and submitted in duplicate to the Regional Office of the National Marine Fisheries Service's Financial Assistance Division corresponding to the region in which the party conducts its business. As a general rule, the Interim CCF Agreement must be executed and entered into by the taxpayer on or prior to the due date, with extensions, for the filing of the Federal tax return in order to be effective for the tax year to which that return relates. It is manifestly in the Applicant's best interest to file at least 45 days in advance of such date.

§ 259.31 Acquisition, construction, or reconstruction.

(a) *Acquisition.* No vessel having previously been operated in a fishery of the United States prior to its acquisition by the party seeking CCF withdrawal therefor shall be a qualified vessel for the purpose of acquisition, except in the cases specified in paragraphs (a)(1) and (2) of this section:

(1) A vessel not more than 5 years old, at the time of its acquisition by the party seeking CCF withdrawal therefor may be a qualified vessel for the purpose of acquisition, but only if each acquisition in this category becomes a Schedule A vessel and there exists for each acquisition in this category (on a one-for-one basis) an additional Schedule B construction or reconstruction. The sole consideration for permitting an acquisition in this category is that it will enable the party (but the Secretary will not attempt to predetermine such an ability) to accelerate accomplishment of the additional Schedule B construction or
