for subsequent fishing years- 190,050 lb (86,205 kg).

(7) Gag—352,940 lb (160,091 kg).

(f) Wreckfish. The quota for wreckfish applies to wreckfish shareholders, or their employees, contractors, or agents, and is 2 million lb (907,185 kg), round weight. See §622.15 for information on the wreckfish shareholder under the ITQ system.

(g) Pelagic sargassum. The quota for all persons who harvest pelagic sargassum in the South Atlantic EEZ is 5,000 lb (2,268 kg), wet, landed weight. See §622.35(g)(1) for area limitations on the harvest of pelagic sargassum.

§ 622.43 Closures.

(a) General. When a quota specified in §622.42 is reached, or is projected to be reached, the Assistant Administrator will file a notification to that effect with the Office of the Federal Register. On and after the effective date of such notification, for the remainder of the fishing year, the following closure restrictions apply:

(1) Gulf reef fish.—(i) Commercial quotas. The application of bag limits described in this paragraph (a)(1)(i) notwithstanding, bag limits of Gulf reef fish may not be possessed on board a vessel with commercial quantities of Gulf reef fish, i.e., Gulf reef fish in excess of applicable bag/possession limits, on board, as specified in §622.39(a)(5).

(A) If the recreational fishery for the indicated species is open, the bag and possession limit for red snapper in or from the Gulf EEZ is zero.

(B) If the recreational fishery for the indicated species is closed, all harvest or possession in or from the Gulf EEZ of the indicated species is prohibited.

(ii) Recreational quota for red snapper. The bag and possession limit for red snapper in or from the Gulf EEZ is zero.

(iii) Recreational quota for greater amberjack. The bag and possession limit for greater amberjack in or from the Gulf EEZ is zero.

(2) Gulf and South Atlantic allowable octocoral. Allowable octocoral may not be harvested or possessed in the Gulf EEZ or South Atlantic EEZ and the sale or purchase of allowable octocoral in or from the Gulf EEZ or South Atlantic EEZ is prohibited.

(3) King and Spanish mackerel. The closure provisions of this paragraph (a)(3) do not apply to Atlantic migratory group Spanish mackerel, which are managed under the commercial trip limits specified in §622.44(b) in lieu of the closure provisions of this section.

(i) A person aboard a vessel for which a commercial permit for king or Spanish mackerel has been issued, as required under §622.4(a)(2)(iii) or (iv), may not fish for king or Spanish mackerel in or from the EEZ of the closed species, migratory group, zone, subzone, or gear, except as provided for under paragraph (a)(3)(ii) of this section.

(ii) A person aboard a vessel for which valid charter vessel/headboat permits for Gulf coastal migratory pelagic fish or South Atlantic coastal migratory pelagic fish and a valid commercial vessel permit for king or Spanish mackerel have been issued may continue to retain fish under a bag and possession limit specified in §622.39(c), provided the vessel is operating as a charter vessel or headboat.

(iii) The sale or purchase of king or Spanish mackerel of the closed species, migratory group, zone, subzone, or gear type is prohibited, including such king or Spanish mackerel taken under the bag limits.
(4) Royal red shrimp in the Gulf. Royal red shrimp in or from the Gulf EEZ may not be retained, and the sale or purchase of royal red shrimp taken from the Gulf EEZ is prohibited.

(5) South Atlantic gag, greater amberjack, snowy grouper, golden tilefish, vermilion snapper, black sea bass, and red porgy. 
   (i) The appropriate bag limits specified in §622.39(d)(1) and the possession limits specified in §622.39(d)(2) apply to all harvest or possession of the applicable species in or from the South Atlantic EEZ, and the sale or purchase of the applicable species taken from or possessed in the EEZ is prohibited.
   (ii) The bag and possession limits for the applicable species and the prohibition on sale/purchase apply in the South Atlantic on board a vessel for which a valid Federal commercial or charter vessel/headsboat permit for South Atlantic snapper-grouper has been issued, without regard to where such species were harvested, i.e., in state or Federal waters.
   (iii) For gag only, when the commercial quota for gag is reached, the provisions of paragraphs (a)(5)(i) and (ii) of this section apply to gag and the following associated grouper species: black grouper, red grouper, scamp, red hind, rock hind, yellowmouth grouper, tiger grouper, yellowfin grouper, graygoby, and coney.

(6) Wreckfish. Wreckfish in or from the South Atlantic EEZ may not be retained, and the sale or purchase of wreckfish taken from the South Atlantic EEZ is prohibited.

(7) Pelagic sargassum. Pelagic sargassum may not be fished for or possessed in the South Atlantic EEZ and the sale or purchase of pelagic sargassum in or from the South Atlantic EEZ is prohibited.

(b) Exception to prohibition on sale/purchase. (1) The prohibition on sale/purchase during a closure for Gulf reef fish, king mackerel, royal red shrimp, or specified snapper-grouper species in paragraphs (a)(1), (a)(3)(ii), (a)(4), or (a)(5) and (a)(6), respectively, of this section does not apply to the indicated species that were harvested, landed ashore, and sold prior to the effective date of the closure and were held in cold storage by a dealer or processor.

(2) The prohibition on sale/purchase during a closure for allowable octocoral in paragraph (a)(2) of this section or for pelagic sargassum in paragraph (a)(7) of this section does not apply to allowable octocoral or pelagic sargassum that was harvested and landed ashore prior to the effective date of the closure.

(c) Reopening. When a fishery has been closed based on a projection of the quota specified in §622.42 being reached and subsequent data indicate that the quota was not reached, the Assistant Administrator may file a notification to that effect with the Office of the Federal Register. Such notification may reopen the fishery to provide an opportunity for the quota to be reached.

§622.44 Commercial trip limits.

Commercial trip limits are limits on the amount of the applicable species that may be possessed on board or landed, purchased, or sold from a vessel per day. A person who fishes in the EEZ may not combine a trip limit specified in this section with any trip or possession limit applicable to state waters. A species subject to a trip limit specified in this section taken in the EEZ may not be transferred at sea, regardless of where such transfer takes place, and such species may not be transferred in the EEZ. For fisheries governed by this part, commercial trip limits apply as follows (all weights are round or eviscerated weights unless specified otherwise):

(a) King mackerel—(1) Atlantic group.

The following trip limits apply to vessels for which commercial permits for king mackerel have been issued, as required under §622.4(a)(2)(iii):
