§ 20.4 Definitions.

As used in these regulations and in all instructions, forms, and documents pertaining hereto, the words and phrases defined in this section shall have the meaning assigned to them as follows:

(a) *Administrator*. The Administrator, Foreign Agricultural Service, U.S. Department of Agriculture.

(b) *Buy-back contract*. A transaction under which a reporting exporter having sold a commodity for export to a foreign buyer liquidates the export sale contract by making an offsetting purchase of the same kind of commodity from the same foreign buyer.

(c) *Commodity*. Wheat and wheat flour, feed grains, oilseeds, cotton, rice, cattle hides and skins, beef, and any products thereof, and any other agricultural commodity the Secretary may designate. "Commodity" shall also mean a commodity having identifying characteristics as described in any announcement issued pursuant to § 20.5 such as class(es) of wheat, or staple length(s) of cotton. Mixed wheat shall be considered to be the predominant wheat class of the blend. This definition excludes commodities to be used for seed which have been treated in such a manner that their use is limited to seed for planting purposes or on which a certificate has been issued by a recognized seed testing laboratory setting forth variety, germination and purity.

(d) *Country of destination*. (1) Any country outside the United States or (2) any territory or possession of the United States. Country of destination shall be the ultimate destination of the export, and shall not be deemed to be the country through which any transshipment takes place.

(e) *Export*. A shipment of a commodity from the United States destined to a country specified in paragraph (d) of this section. The commodity shall be deemed to have been exported on the date of the applicable export carrier onboard bill of lading or the date the commodity is received for shipment, as specified on the bill of lading, in the case of a commodity received for shipment in a lash barge or containerized van if a through on-board bill of lading is issued for shipment to a country specified in paragraph (d) of this section.

(f) *Export carrier*. The vessel on which a commodity is exported from the United States to a country specified in paragraph (d) of this section, or if export is by railcar, truck, or airplane, "export carrier" means such railcar, truck, or airplane.

A transaction involving shipments made by the reporting exporter which are unsold at the time of export, shipments on consignment to selling agents of the reporting exporter for subsequent sale for the account of the reporting exporter, shipments by the reporting exporter that have not been allocated to any outstanding export sale, and shipments from the United States to any foreign country in bond for subsequent shipment to a third country.

(h) *Export sale*. A transaction entered into between a reporting exporter and a foreign buyer. The transaction must be represented by a written document evidencing that (1) the exporter agrees to export the commodity, (2) the foreign buyer agrees to receive the commodity, (3) a fixed price or an agreed upon mechanism by which such a price can be determined is established, and (4) payment will be made to or for the account of the reporting exporter by or on the behalf of the foreign buyer for delivery of the commodity. The quantity of "outstanding export sale" means the quantity not yet exported under an export sale. The terms of delivery specified in the written agreement, such as FAS vessel, FOB vessel, C&F, CIF, etc., do not determine whether a transaction is an export sale which must be reported.
