Subpart D—Administrative Offset

SOURCE: 73 FR 4, Jan. 2, 2008, unless otherwise noted.

§ 3.40 Scope.

(a) This subpart sets forth the procedures to be used by agencies in collecting debts by administrative offset. The term “administrative offset” has the meaning provided in 31 U.S.C. 3701(a)(1).

(b) This section does not apply to:

(1) Debts arising under the Social Security Act, except as provided in 42 U.S.C. 404;

(2) Payments made under the Social Security Act, except as provided for in 31 U.S.C. 3716(c) (*see* 31 CFR 285.4, Federal Benefit Offset);

(3) Debts arising under, or payments made under, the Internal Revenue Code (except for offset of tax refunds) or the tariff laws of the United States;

(4) Offsets against Federal salaries (such offsets are covered by subpart F);

(5) Offsets under 31 U.S.C. 3728 against a judgment obtained by a debtor against the United States;

(6) Offsets or recoupments under common law, State law, or Federal statutes specifically prohibiting offsets or recoupments of particular types of debts;

(7) Offsets in the course of judicial proceedings, including bankruptcy; or

(8) Intracontractual offsets to satisfy contract debts taken by a contracting

officer under the Contract Disputes Act, 41 U.S.C. 601–613.

(c) Unless otherwise provided for by contract or law, debts or payments that are not subject to administrative offset under 31 U.S.C. 3716 may be collected by administrative offset under the common law or other applicable statutory authority.

(d) Supplemental provisions related to offsets by the Commodity Credit Corporation (CCC) may be found at 7 CFR part 1403 and for the Farm Service Agency at 7 CFR part 792.

(e) Unless otherwise provided by law, administrative offset of payments under the authority of 31 U.S.C. 3716 to collect a debt may not be conducted more than 10 years after the government’s right to collect the debt first accrued, unless facts material to the government’s right to collect the debt were not known and could not reasonably have been known by the official or officials of the government who were charged with the responsibility to discover and collect such debts. This limitation does not apply to debts reduced to a judgment.

(f) In bankruptcy cases, agencies may seek legal advice from OGC concerning the impact of the Bankruptcy Code, particularly 11 U.S.C. 106, 362, and 553, on pending or contemplated collections by offset.

§ 3.41 Procedures for notification of intent to collect by administrative offset.

(a) Prior to initiation of collection by administrative offset, a creditor agency must:

(1) Send the debtor a written Notice of Intent to Collect by Administrative Offset, by mail or hand-delivery, of the type and amount of the debt, the intention of the agency to use non-centralized administrative offset (which includes a USDA internal administrative offset) to collect the debt 30 days after the date of the Notice, the name of the Federal agency or USDA agency from which the creditor agency wishes to collect in the case of a non-centralized administrative offset, the intent to refer the debt to Treasury for collection through centralized administrative offset (including possible offset of tax refunds) 60 days after the date of

§3.42

the Notice if the debt is not satisfied by offset within USDA or by agreement with another Federal agency, and an explanation of the debtor's rights under 31 U.S.C. 3716; and

(2) Give the debtor the opportunity:

(i) To inspect and copy agency records related to the debt;

(ii) For a review within the agency of the determination of indebtedness in accordance with subpart F; and

(iii) To make a written agreement to repay the debt.

(b) The procedures set forth in paragraph (a) of this section are not required when:

(1) The offset is in the nature of a recoupment;

(2) The debt arises under a contract subject to the Contracts Disputes Act;

(3) In the case of a non-centralized administrative offset, the agency first learns of the existence of the amount owed by the debtor when there is insufficient time before payment would be made to the debtor/payee to allow for prior notice and an opportunity for review. When prior notice and an opportunity for review are omitted, the agency shall give the debtor such notice and an opportunity for review as soon as practicable and shall promptly refund any money ultimately found not to have been owed to the government; or

(4) The agency previously has given a debtor any of the notice and review opportunities required under this part, with respect to a particular debt (*see, e.g.*, §3.11). With respect to loans paid on an installment basis, notice and opportunity to review under this part may only be provided once for the life of the loan upon the occurrence of the first delinquent installment. Subsequently, if an agency elects this option, credit reporting agencies may be furnished periodically with updates as to the current or delinquent status of the loan account and the borrower may receive notice of referral to TOP for delinquent installments without further opportunity for review. Any interest accrued or any installments coming due after the offset is initiated also would not require a new notice and opportunity to review.

(c) The Notice of Intent to Collect by Administrative Offset shall be included

7 CFR Subtitle A (1-1-10 Edition)

as part of a demand letter issued under §3.11 to advise the debtor of all debt collection possibilities that the agency will seek to employ.

§3.42 Debtor rights to inspect or copy records, submit repayment proposals, or request administrative review.

(a) A debtor who intends to inspect or copy agency or USDA records with respect to the debt must notify the creditor agency in writing within 30 days of the date of the Notice of Intent to Collect by Administrative Offset. In response, the agency must notify the debtor of the location, time, and any other conditions, consistent with part 1, subpart A, of this title, for inspecting and copying, and that the debtor may be liable for reasonable copying expenses. A decision by the agency under this paragraph shall not be subject to review under subpart F or by NAD under 7 CFR part 11.

(b) The debtor may, in response to the Notice of Intent to Collect by Administrative Offset, propose to the creditor agency a written agreement to repay the debt as an alternative to administrative offset. Any debtor who wishes to do this must submit a written proposal for repayment of the debt, which must be received by the creditor agency within 30 days of the date of the Notice of Intent to Collect by Administrative Offset or 15 days after the date of a decision adverse to the debtor under subpart F. In response, the creditor agency must notify the debtor in writing whether the proposed agreement is acceptable. In exercising its discretion, the creditor agency must balance the government's interest in collecting the debt against fairness to the debtor. A decision by the agency under this paragraph shall not be subject to review under subpart F or by NAD under 7 CFR part 11.

(c) A debtor must request an administrative review of the debt under subpart F within 30 days of the date of the Notice of Intent to Collect by Administrative Offset for purposes of a proposed collection by non-centralized administrative offset and within 60 days of the date of the Notice of Intent to Collect by Administrative Offset for
