

§ 1207.515

name and address and the exemption number assigned by the Board.

(f) An importer who imports only products that are eligible to be labeled as 100 percent organic under the NOP (7 CFR part 205) and who is not a split operation shall be exempt from the payment of assessments. That importer may submit documentation to the Board and request an exemption from assessment on 100 percent organic potatoes, potato products, and seed potatoes—on a form provided by the Board—at any time initially and annually thereafter on or before July 1 as long as the importer continues to be eligible for the exemption. This documentation shall include the same information required of producers in paragraph (c) of this section. If the importer complies with the requirements of this section, the Board will grant the exemption and issue a Certificate of Exemption to the importer. The Board will also issue the importer a 9-digit alphanumeric Harmonized Tariff Schedule (HTS) classification valid for 1 year from the date of issue. This HTS classification should be entered by the importer on the Customs entry documentation. Any line item entry of 100 percent organic potatoes, potato products, and seed potatoes bearing this HTS classification assigned by the Board will not be subject to assessments.

(g) The exemption will apply immediately following the issuance of the Certificate of Exemption.

(h) Agricultural commodities produced and marketed under an organic system plan, as described in 7 CFR 205.201, but not sold, labeled, or represented as organic, shall not disqualify a producer from exemption under this section, except that producers who produce both organic and non-organic agricultural commodities as a result of split operations shall not qualify for exemption. Reasons for conventional sales include lack of demand for organic products, isolated use of antibiotics for humane purposes, chemical or pesticide use as the result of State or emergency spray programs, and crops from a buffer area as described in 7 CFR part 205, provided all other criteria are met.
