§ 1230.60 Promotion, research, and consumer information.

(a) The Board shall receive and evaluate, or, on its own initiative, develop, and submit to the Secretary for approval, any plans and projects. Such plans and projects shall provide for:

(1) The establishment, issuance, effectuation, and administration of appropriate plans and projects for promotion, research, and consumer information with respect to pork and pork products designed to strengthen the position of the pork industry in the marketplace and to maintain, develop, and expand domestic and foreign markets for pork and pork products;

(2) The establishment and conduct of research and studies with respect to the sale, distribution, marketing, and utilization of pork and pork products and the creation of new products thereof, to the end that marketing and utilization of pork and pork products may be encouraged, expanded, improved, or made more acceptable.

(b) Each plan and project shall be periodically reviewed or evaluated by the Board to ensure that the plan and project contributes to an effective and coordinated program of promotion, research, and consumer information. If it is found by the Board that any such plan and project does not further the purposes of the Act, the Board shall terminate such plan and project.

(c) No plan or project shall make a false or misleading claim on behalf of pork or a pork product or a false or misleading statement with respect to an attribute or use of a competing product.

(d) No plan or project shall undertake to advertise or promote pork or pork products by private brand or trade name unless such advertisement or promotion is specifically approved by the Board, with the concurrence of the Secretary.

Expenses and Assessments

§ 1230.70 Expenses.

(a) The Board is authorized to incur such expenses (including provision for a reasonable reserve that would permit an effective promotion, research, and consumer information program to continue in years when the amount of assessments may be reduced) as the Secretary finds are reasonable and likely to be incurred by the Board for its administration, maintenance, and functioning and to enable it to exercise its powers and perform its duties in accordance with the provisions of this subpart, including financing plans and projects. Such expenses shall be paid from assessments collected pursuant to §1230.71 and other funds available to the Board, including donations.

(b) The Board shall reimburse the Secretary, from assessments collected pursuant to §1230.71, for reasonable administrative expenses incurred by the Department with respect to this subpart after January 1, 1986, including any expenses reasonably incurred for the conduct of elections of nominees for appointment to the initial Delegate Body and for the conduct of referenda.

§ 1230.71 Assessments.

(a)(1) Each producer producing in the United States a porcine animal raised as a feeder pig that is sold shall pay an assessment on that animal, unless such producer demonstrates to the Board by appropriate documentation that an assessment was previously paid on that animal as a feeder pig.

(2) Each producer producing in the United States a porcine animal raised for slaughter that is sold shall pay an assessment on that animal, unless such producer demonstrates to the Board by appropriate documentation that an assessment was previously paid on that animal as a market hog.

(c) No plan or project shall make a false or misleading claim on behalf of pork or a pork product or a false or misleading statement with respect to an attribute or use of a competing product.

(d) No plan or project shall undertake to advertise or promote pork or pork products by private brand or trade name unless such advertisement or promotion is specifically approved by the Board, with the concurrence of the Secretary.
