§ 1260.169 Promotion, research, consumer information and industry information.

The Committee shall receive and evaluate, or on its own initiative, develop and submit to the Secretary for approval any plans and projects for promotion, research, consumer information and industry information authorized by this subpart. Such plans and projects shall provide for:
(a) The establishment, issuance, effectuation, and administration of appropriate plans or projects for promotion, research, consumer information and industry information, with respect to beef and beef products designed to strengthen the beef industry’s position in the marketplace and to maintain and expand domestic and foreign markets and uses for beef and beef products;
(b) The establishment and conduct of research and studies with respect to the sale, distribution, marketing, and utilization of beef and beef products and the creation of new products thereof, to the end that marketing and utilization of beef and beef products may be encouraged, expanded, improved or made more acceptable in the United States and foreign markets;

ASSESSMENTS

§ 1260.172 Assessments.

(a) Domestic assessments. (1) Except as prescribed by regulations approved by the Secretary, each person making payment to a producer for cattle purchased from such producer shall be a collecting person and shall collect an assessment from the producer, and each producer shall pay such assessment to the collecting person, at the rate of one dollar ($1) per head of cattle purchased and such collecting person shall remit the assessment to the Board or to a qualified State beef council pursuant to §1260.172(a)(5).

(2) Any producer marketing cattle of that producer’s own production in the form of beef or beef products to consumers, either directly or through retail or wholesale outlets, or for export purposes, shall remit to a qualified State beef council or to the Board an assessment on such cattle at the rate of one dollar ($1) per head of cattle or the equivalent thereof.

(3) In determining the assessment due from each producer pursuant to §1260.172(a), a producer who is contributing to a qualified State beef council(s) shall receive a credit from the Board for contributions to such Council, but not to exceed 50 cents per head of cattle assessed.

(4) In order for a producer described in §1260.172(a) to receive the credit authorized in §1260.172(a)(3), the qualified State beef council or the collecting person must establish to the satisfaction of the Board that the producer has contributed to a qualified State beef council.

(5) Each person responsible for the remittance of the assessment pursuant to §1260.172 (a) (1) and (2) shall remit the assessment to the qualified State beef council in the State from which the cattle originated prior to sale, or if there is no qualified State beef council within such State, the assessment shall be remitted directly to the Board. However, the Board, with the approval of the Secretary, may authorize qualified State beef councils to propose modifications to the foregoing “State of origin” rule to ensure effective coordination of assessment collections between qualified State beef councils. Qualified State beef councils and the Board shall coordinate assessment collection procedures to ensure that producers selling or marketing cattle in interstate commerce are required to pay only one assessment per individual sale of cattle. For the purpose of this subpart, “State of origin” rule means the State where the cattle were located at time of sale, or the State in which the cattle were located prior to sale if such cattle were transported interstate for the sole purpose of sale. Assessments shall be remitted not later than the 15th day of the month following the month in which the cattle were purchased or marketed.

(6) If a State law or regulation promulgated pursuant to State law requires the payment and collection of a mandatory, nonrefundable assessment of more fifty (50) cents per head on the sale and purchase of cattle, or the equivalent thereof for beef and beef products as described in §1260.172 (a)(1) and (2) for use by a qualified State beef council to fund activities similar to those described in §1260.169, and such State law or regulation authorizes the issuance of a credit of that amount of the assessment which exceeds fifty (50) cents to producers who waive any right to the refund of the assessment credited by the State due pursuant to this subpart, then any producer subject to such State law or regulation who pays only the amount due pursuant to such State law or regulation and this subpart, including any credits issued, shall thereby waive that producer’s right to
