only to the producer. However, such receipt may be released to persons designated in a written authorization that is filed with the county office by the producer within 15 days before the date of repayment.

(o) The note and security agreement will not be released until the marketing assistance loan has been satisfied in full.

(p)(1) If the commodity is moved from storage without obtaining prior approval to move such commodity, such removal will constitute unauthorized removal or disposition, as applicable under § 1421.109(b), unless the removal occurred on a non-workday and the producer notified the county office on the next workday of such removal.

(2) Any loan quantities involved in a violation of § 1421.109 must be repaid under § 1421.109(e).

(q) In the event of a severe disruption to marketing, transportation, or related infrastructure, the Secretary may modify the repayment rate otherwise applicable under this section for marketing assistance loans. Any adjustment made to the repayment rate for marketing assistance loans for a loan commodity under § 1421.5 will be in effect on a short-term and temporary basis, as determined by the Secretary.

§ 1421.11 Spot checks.

(a) CCC may inspect the collateral for marketing assistance loans, and producers with such loans shall allow CCC access to the farm and storage facility as necessary to conduct collateral inspections, or "spot checks" as they are called. Spot checks will verify that the quality and quantity of farm-stored commodities pledged as collateral for marketing assistance loans are maintained by the producer.

(b) Loan deficiency payments are selected for spot check to ensure that all eligibility requirements, as required by CCC, are met in order to receive such loan deficiency payment.

(c) Producers must present production evidence for commodities acceptable to CCC when a spot check is conducted.
