7 CFR Ch. XIV (1–1–10 Edition)

allotment history for the easement area under any program administered by the Secretary, as determined by the FSA;

(iv) Agree to the long-term restoration, protection, enhancement, maintenance, and management of the easement in accordance with the terms of the easement and related agreements;

(v) Have the option to enter into an agreement with governmental or private organizations to assist in carrying out any participant responsibilities on the easement area; and

(vi) Agree that each person or legal entity that is subject to the easement shall be jointly and severally responsible for compliance with the easement and the provisions of this part and for any refunds or payment adjustment which may be required for violation of any terms or conditions of the easement or the provisions of this part.

(b) *30-year contract requirements.* (1) To enroll land in WRP through the 30-year contract option, a landowner shall enter into a contract with NRCS. The contract shall require that the enrolled area be maintained in accordance with WRP goals and objectives for the duration of the contract, including the restoration, protection, enhancement, maintenance, and management of wetland and other land functions and values.

(2) For the 30-year duration, the contract shall require, at a minimum, that the participant, and the participant's heirs, successors and assigns, shall, consistent with the terms of this part, cooperate in the restoration, protection, enhancement, maintenance, and management of the land in accordance with the contract and with the terms of the WRPO. In addition, the contract shall grant to NRCS:

(i) A right of access to the contract area;

(ii) The right to permit compatible uses of the contract area, including such activities as a traditional Tribal use of the land, hunting and fishing, managed timber harvest, or periodic haying or grazing, if such use is consistent with the long-term protection and enhancement of the wetland resources for which the contract was established; and

(iii) The right to restore, protect, enhance, maintain, and manage activities on the enrolled area.

(3) The participant shall:

(i) Comply with the terms of the contract;

(ii) Comply with all terms and conditions of any associated agreement;

(iii) Agree to the long-term restoration, protection, enhancement, maintenance, and management of the enrolled area in accordance with the terms of the contract and related agreements;

(iv) Have the option to enter into an agreement with governmental or private organizations to assist in carrying out any participant responsibilities on the enrolled area;

(v) Agree that each person or legal entity that is subject to the contract shall be jointly and severally responsible for compliance with the contract and the provisions of this part and for any refunds or payment adjustment which may be required for violation of any terms or conditions of the contract or the provisions of this part.

§ 1467.12 The WRPO development.

(a) The development of the WRPO will be made through the local NRCS representative, in consultation with the State Technical Committee, with consideration of site-specific technical input from FWS and the Conservation District.

(b) The WRPO will specify the manner in which the enrolled land shall be restored, protected, enhanced, maintained, and managed to accomplish the goals of the program. The WRPO will be developed to ensure that cost-effective restoration and maximization of wildlife benefits and wetland functions and values will result. Specifically, the WRPO will consider and address, to the extent practicable, the on-site alterations and the off-site watershed conditions that adversely impact the hydrology and associated wildlife and wetland functions and values. NRCS will review, revise, and supplement the WRPO as needed throughout the duration of the enrollment to ensure that
