Commodity Credit Corporation, USDA

§ 1468.25 Contract modifications and transfers of land.

(a) The participant and CCC may modify a contract if the participant and CCC agree to the contract modification and the conservation farm plan is revised in accordance with CCC requirements and is approved by the conservation district.

(b) The participant may agree to transfer a contract to another eligible owner or operator with the agreement of CCC. The transferee shall assume full responsibility under the contract, including operation and maintenance of those conservation practices already installed and to be installed as a condition of the contract. By agreeing to participate in CFO, CCC may require operation and maintenance of those conservation practices installed under CRP, EQIP, or WRP.

(c) CCC may require a participant to refund all or a portion of any assistance earned under a CRP or EQIP contract, or WRP cost-share agreement that was terminated as a condition of participation in CFO, if the participant sells or loses control of the land under a CFO contract and the new owner or controller does not assume responsibility under the contract.

§ 1468.24 Contract violations and termination.

(a)(1) If it is determined that a participant is in violation of the provisions of this part, or the terms of the contract including portions of the contract that incorporate transferred obligations from CRP or EQIP contracts, or WRP cost-share agreements, CCC will give the participant written notice of a reasonable time to correct the violation and comply with the terms of the contract and attachments thereto, as determined by the FSA county committee, in consultation with NRCS. If a participant continues in violation after the time to comply has elapsed, the FSA county committee may, in consultation with NRCS, terminate the CFO contract.

(2) Notwithstanding the provisions of paragraph (a)(1) of this section, a contract termination shall be effective immediately upon a determination by the FSA county committee, in consultation with NRCS, that the participant...
has submitted false information, filed a false claim, or engaged in any act for which a finding of ineligibility for payments is permitted under the provisions of §1468.35 of this part, or in a case in which the actions of the party involved are deemed to be sufficiently purposeful or negligent to warrant a termination without delay.

(b)(1) If CCC terminates a contract, the participant shall forfeit all rights for future payments under the contract and shall refund all or part of the payments received, plus interest, determined in accordance with part 1403 of this chapter. CCC has the option of requiring only partial refund of the payments received if a previously installed conservation practice can function independently, is not affected by the violation or other conservation practices that would have been installed under the contract, and the participant agrees to operate and maintain the installed conservation practice for the life span of the practice.

(2) If CCC terminates a contract for any reason stated above, before any contractual payments have been made, the participant shall forfeit all rights for further payments under the contract and shall pay such liquidated damages as are prescribed in the contract.

(3) When making all contract termination decisions, CCC may reduce the amount of money owed by the participant by a proportion which reflects the good-faith effort of the participant to comply with the contract, or the hardships beyond the participant’s control that have prevented compliance with the contract.

(4) The participant may voluntarily terminate a contract without penalty, if CCC determines that such termination would be in the public interest.

Subpart C—General Administration

§ 1468.31 Compliance with regulatory measures.

Participants who carry out conservation practices shall be responsible for obtaining the authorities, rights, easements, permits, or other approvals necessary for the implementation, operation, and maintenance of the conservation practices in keeping with applicable laws and regulations. Participants shall be responsible for compliance with all laws and for all effects or actions resulting from the participant’s performance under the contract.

§ 1468.32 Access to operating unit.

Any authorized CCC representative shall have the right to enter an operating unit or tract for the purpose of ascertaining the accuracy of any representations made in a contract or in anticipation of entering a contract, or as to the performance of the terms and conditions of the contract. Access shall include the right to provide technical assistance and inspect any work undertaken under the contract. The CCC representative shall make a reasonable effort to contact the participant prior to the exercise of this right to access.

§ 1468.33 Performance based upon advice or action of representatives of CCC.

If a participant relied upon the advice or action of any authorized representative of CCC, and did not know or have reason to know that the action or advice was improper or erroneous, the FSA county committee, in consultation with NRCS, may accept the advice or action as meeting the requirements of the program and may grant relief, to the extent it is deemed desirable, to provide a fair and equitable treatment because of the good-
