§ 1469.24 Contract modifications and transfers of land.

(a) Contracts may be modified:
(1) At the request of the participant, if the modification is consistent with the purposes of the conservation security program; or
(2) As required by the State Conservationist due to changes to the type, size, management, or other aspect of the agricultural operation that would interfere with achieving the purposes of the program.

(b) Participants may request a modification to their contract to change the new practice and enhancement components of the conservation stewardship contract payment may increase once the participant applies and agrees to maintain additional conservation practices and activities as described in the conservation stewardship plan.

(g) The Chief of NRCS may limit the stewardship, practice, and enhancement components of CSP payments in order to focus funding toward targeted activities and conservation benefits the Chief identifies in the sign-up notice and any subsequent addenda.

(h) In the event that annual funding is insufficient to fund existing contract commitments, the existing contracts will be pro-rated in that contract year.

(i) NRCS may not make any payments to participants for:
(1) Practices within their conservation stewardship plan that are required to meet conservation compliance requirements found in 7 CFR Part 12;
(2) Practices that are included in maintenance agreements (with financial reimbursements for maintenance) that existed prior to the conservation stewardship contract approval;
(3) Construction or maintenance of animal waste storage or treatment facilities or associated waste transport or transfer devices for animal feeding operations;
(4) The purchase or maintenance of equipment;
(5) A non-land based structure that is not integral to a land based practice, as determined by the Chief; or
(6) New practices that were applied with cost-share assistance through other USDA cost-share programs.

(f) The new practice and enhancement components of the conservation stewardship contract payment may increase once the participant applies and agrees to maintain additional conservation practices and activities as described in the conservation stewardship plan.

(g) The Chief of NRCS may limit the stewardship, practice, and enhancement components of CSP payments in order to focus funding toward targeted activities and conservation benefits the Chief identifies in the sign-up notice and any subsequent addenda.
