(a) Documents submitted to FAS by Cooperators are subject to the provisions of the Freedom of Information Act (FOIA), 5 U.S.C. 552, 7 CFR part 1, Subpart A—Official Records, and, specifically, 7 CFR 1.11—Handling Information from a Private Business.

(b) If requested by a person located in the United States, a Cooperator shall provide to such person a copy of any document in its possession or control containing market information developed and produced under the terms of

its agreement. The Cooperator may charge a fee not to exceed the costs for assembling, duplicating, and distributing the materials.

(c) The results of any research conducted by a Cooperator under an agreement shall be the property of the U.S. Government.

§ 1484.72 How is program effectiveness measured?

(a) The Government Performance and Results Act (GPRA) of 1993 (5 U.S.C. 306; 31 U.S.C. 1105, 1115–1119, 3515, 9703–9704) requires performance measurement of Federal programs, including the Cooperator program. Evaluation of the Cooperator program's effectiveness will depend on a clear statement by each Cooperator of the constraints and opportunities facing U.S. exports, goals to be met within a specified time, a schedule of measurable milestones for gauging success, a plan for achievement, and reports of activity results.

(b) Evaluation is an integral element of program planning and implementation, providing the basis for the strategic plan. The evaluation results guide the development and scope of a Cooperator's program, contribute to program accountability, and provide evidence of program effectiveness.

(c) A Cooperator shall conduct periodic evaluations of its program and activities and may contract with an independent evaluator to satisfy this requirement. FAS reserves the right to have direct input and control over design, scope, and methodology of any such evaluation, including direct contact with and provision of guidance to the independent evaluator.

(d) A Cooperator shall complete at least one program evaluation each year. Actual scope and timing of the program evaluation shall be determined by the Cooperator and the Division Director and specified in the Cooperator's application approval letter. A program evaluation shall contain:

(1) The name of the party conducting the evaluation;

(2) The activities covered by the evaluation;

(3) A concise statement of the constraint(s) and opportunities and the goals specified in the application;
