§ 1580.303 Adjustment assistance payments.

(a) Applicants shall satisfy by September 30 all certifications of §1580.301(e) to qualify for adjustment assistance payments.

(b) The FSA office shall issue a payment to a producer that is equal to the product of the amount of the agricultural commodity produced in the most recent marketing year multiplied by one-half the difference between—

(1) An amount equal to 80 percent of the average of the national average prices of the agricultural commodity covered by the petition for the 5 marketing years preceding the most recent marketing year, and

(2) The national average price of the agricultural commodity for the most recent marketing year.

(c) The maximum amount of payments under this part that a person may receive during the Federal fiscal year shall not exceed $10,000.

(d) The total amount of payments made under this part to a person during any crop year when considered with the total amount of counter-cyclical payments made in accordance with part 1412 of this title for a corresponding crop year shall not exceed $65,000 per crop year, as determined by the Administrator.

(e) Any person who may be entitled to a payment may assign their rights to such payment in accordance with 7 CFR part 1404 or successor regulations as designated by the Department.

(f) In the case of death, incompetency, disappearance or dissolution of a person that is eligible to receive benefits in accordance with this part, such person or persons specified in 7 CFR part 707 may receive such benefits, as determined appropriate by FSA.

(g) If the Administrator, FAS, determines in September that program funds may be insufficient to meet the requirements for adjustment assistance payments under this part during the coming fiscal year, FSA may delay making adjustment payments in order to prorate amounts owed producers.

(h) FSA shall not make adjustment assistance payments to producers who have not met at least once with an Extension Service employee to receive technical assistance.

§ 1580.401 Subsequent qualifying year eligibility.

(a) Prior to the anniversary of a certification date,

(1) groups and authorized representatives that provided national average prices to justify their initial certifications shall provide the Administrator national average prices for the most recent marketing year, and

(2) the Administrator shall determine whether or not—

(i) The national average price for the agricultural commodity produced by the group for the most recent marketing year is equal to or less than 80 percent of the average of national average prices for the 5 marketing years used to make the first certification under §1580.203(a)(1), and

(ii) Further increases in imports are contributing importantly to the decline in price.

(b) The Administrator shall promptly publish in the FEDERAL REGISTER the determination with supporting justification statement.

(c) In the case of a re-certification, FSA shall notify producers that they may be eligible to receive trade adjustment assistance for a subsequent qualifying year.

(d) To qualify for assistance in subsequent qualifying years, producers shall—

(1) Submit an application pursuant to §1580.301, and

(2) Contact the Extension Service for technical adjustment assistance.

(e) The amount of an adjustment assistance payment during a qualifying year shall be determined in the same manner as in the originating year, except that the average national price shall be determined by using the 5-marketing-year period used to determine the amount of cash benefits for the first certification.

(f) An eligible producer who did not apply for adjustment assistance in the initial year may apply pursuant to §1580.301.
