§ 1726.26 Interest on overdue accounts.

Certain RUS contract forms contain a provision concerning payment of interest on overdue accounts. Prior to issuing the invitation to bidders, the borrower must insert an interest rate equal to the lowest “Prime Rate” listed in the “Money Rates” section of the Wall Street Journal on the date such invitation to bid is issued. If no prime rate is published on that date, the last such rate published prior to that date must be used. The rate must not, however, exceed the maximum rate allowed by any applicable state law.

§ 1726.27 Contractor’s bonds.

(a) RUS Form 168b, Contractor’s Bond, shall be used when a contractor’s bond is required by RUS Forms 200, 257, 786, 790, or 830 unless the contractor’s surety has accepted a Small Business Administration guarantee and the contract is for $1 million or less.

(b) RUS Form 168c, Contractor’s Bond, shall be used when a contractor’s bond is required by RUS Forms 200, 257, 786, 790, or 830 and the contractor’s surety has accepted a Small Business Administration guarantee and the contract is for $1 million or less.

(c) Surety companies providing contractor’s bonds shall be listed as acceptable sureties in the U.S. Department of the Treasury Circular No. 570, Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies. Copies of the circular and interim changes may be obtained directly from the Government Printing Office (202) 512–1800. Interim changes are published in the Federal Register as they occur. The list is also available through the Internet at http://www.fns.treas.gov/c570/index.html and on the Department of the Treasury’s computerized public bulletin board at (202) 874–6887.

§ 1726.35 Submission of documents to RUS.

(a) Where to send documents. Documents required to be submitted to RUS under this part are to be sent to the office of the borrower’s respective RUS Regional Director, the Power Supply Division Director, or such other office of RUS as designated by RUS (see part 1700 of this chapter.)

(b) Borrower certification. When a borrower certification is required by this part, it must be made by the borrower’s manager unless the board of directors specifically authorizes another person to make the required certification. In such case, a certified copy of the specific authorizing resolution must accompany the document or be on file with RUS.

(c) Contracts requiring RUS approval. The borrower shall submit to RUS three copies of each contract that is subject to RUS approval under subparts B through F of this part. At least one copy of each contract must be an original signed in ink (i.e., no facsimile signature). Each contract submittal must be accompanied by:

(1) A bid tabulation and evaluation and, if applicable, a written recommendation of the architect or engineer.

(2) For awards made under the informal competitive bidding procedure or the multiparty negotiation procedure, a written recommendation of the contracting committee (See §§ 1726.202 and 1726.203).

(3) Three copies of an executed contractor’s bond on RUS approved bond forms as required in the contract form (at least one copy of which must be an original signed in ink) and one copy of the bid bond or facsimile of the certified check.

(4) A certification by the borrower or chairperson of the contracting committee, as applicable, that the appropriate bidding procedures were followed as required by this part.

(5) A certified copy of the board resolution awarding the contract.

(6) Evidence of clear title to the site for substations and headquarters construction contracts, if not previously submitted.
