borrower to enter into formal contractual arrangements whenever possible to do so.

(c) Borrower does not retain ownership of the security. The security may be transferred to another approved applicant or sold in accordance with applicable procedure.

(d) Borrower abandons the security or fails to make satisfactory arrangements. This paragraph does not apply to borrowers with FO, SW, RL, OL, EE, EM, SL, EO, ST, and/or RHF loans. Those borrowers should be sent exhibit A and the appropriate attachments as outlined in subpart S of part 1951 of this chapter. When a borrower abandons the security or fails to make satisfactory arrangements for maintenance of the security and payment of taxes, insurance, and installments on the loan, the County Supervisor will send a complete report on the case to the State Director. The report will include all the information that can be obtained regarding the borrower’s plans for the security and any evidence to indicate that abandonment has, in fact, taken place. In these instances, it must be recognized that the borrower may have entered into verbal arrangements for the care of the security without properly advising the County Supervisor. Whether such cases may be construed to be in violation of the provisions of the mortgage, so as to support foreclosure by order of the Court under the provisions of the Soldiers’ and Sailors’ Civil Relief Act of 1940, will need to be determined on an individual case basis by the State Director and OGC. Clearcut abandonment cases or instances in which the borrower fails to take action to transfer or sell the property, while evidencing no interest in it or desire to retain it, will be processed in accordance with applicable procedures.

(e) Statement of account. Borrowers entering the armed forces who retain ownership of the security will be requested to designate mailing addresses for the delivery of statements of account. Any changes in addresses will be processed on Form FmHA or its successor agency under Public Law 103–354 450–10 with appropriate explanations.

§ 1950.105  Interest rate.

(a) The Soldiers and Sailors Relief Act requires that the effective interest rate charged a borrower who enters active military duty after a loan is closed will not exceed 6 percent. This applies only to full-time active military duty and does not include military reserve status or National Guard participation.

(b) As soon as the County Supervisor verifies that a borrower is on active duty, the County Supervisor will send the borrower a letter which states that the interest rate on the borrower’s FmHA or its successor agency under Public Law 103–354 loans will not exceed 6 percent. At the same time, the County Supervisor will send the Finance Office a memorandum which states that the borrower is on active duty and that interest of not more than 6 percent should accrue on the borrower’s loans, effective as of the date of the memorandum or as of the date of the last payment, whichever is later, until further notice. If a borrower’s interest rate on any loan is less than 6 percent, the loan will continue to accrue interest at the lower rate. The assistance under this section may not be retroactively applied.

(c) As soon as the County Supervisor verifies that a borrower is no longer on active duty, the County Supervisor will send the Finance Office a memorandum advising them to terminate the 6 percent interest rate. The rate will revert to the note rate (or the payment assistance rate), effective with the next scheduled payment. The 6 percent interest rate will not be cancelled retroactively.
