thereof prepared by grantee and approved by the Agency. A final project performance report will be required with the final Financial Status Report. The final report may serve as the last quarterly report. The final report must provide complete information regarding the jobs created and saved as a result of the grant. Grantees shall constantly monitor performance to ensure that time schedules are being met, projected work by time periods is being accomplished, and other performance objectives are being achieved. Grantees are to submit an original of each report to the Agency. The project performance reports shall include, but not be limited to, the following:

(1) A comparison of actual accomplishments to the objectives established for that period;

(2) Problems, delays, or adverse conditions, if any, which have affected or will affect attainment of overall project objectives, prevent meeting time schedules or objectives, or preclude the attainment of particular project work elements during established time periods. This disclosure shall be accompanied by a statement of the action taken or planned to resolve the situation; and

(3) Objectives and timetable established for the next reporting period.

(b) Within 1 year after the conclusion of the project, the grantee will provide a project evaluation report based on criteria developed in accordance with §§ 4284.621(c) and 4284.638(a)(2)(v).

(c) The Agency may also require grantees to prepare a report suitable for public distribution describing the accomplishments made through the use of the grant and, in the case where the grant funded the development or application of a "best practice," to describe that "best practice."

(d) The grantee will provide for Financial Management Systems which will include:

(1) Accurate, current, and complete disclosure of the financial result of each grant.

(2) Records which identify adequately the source and application of funds for grant-supporting activities, together with documentation to support the records. Those records shall contain information pertaining to grant awards

and authorizations, obligations, unobligated balances, assets, liabilities, outlays, and income.

(3) Effective control over and accountability for all funds. Grantee shall adequately safeguard all such assets and shall assure that funds are used solely for authorized purposes.

(e) The grantee will retain financial records, supporting documents, statistical records, and all other records pertinent to the grant for a period of at least 3 years after grant closing except that the records shall be retained beyond the 3-year period if audit findings have not been resolved or if directed by the United States. Microfilm copies may be substituted in lieu of original records. The Agency and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the grantee which are pertinent to the specific grant program for the purpose of making audit, examination, excerpts, and transcripts.

§ 4284.657 Audit requirements.

Grantees must provide an annual audit in accordance with 7 CFR part 3052. The audit requirements apply to the years in which grant funds are received and years in which work is accomplished that will be paid for with grant funds.

§§ 4284.658–4284.666 [Reserved]**§ 4284.667 Grant servicing.**

Grants will be serviced in accordance with part 1951, subparts E and O, of this title. Grantees will permit periodic inspection of the program operations by a representative of the Agency. All non-confidential information resulting from the Grantee's activities shall be made available to the general public on an equal basis.

§ 4284.668 Programmatic changes.

The Grantee shall obtain prior approval for any change to the scope or objectives of the approved project. Failure to obtain prior approval of changes to the scope of work or budget may result in suspension, termination, and recovery of grant funds.
