(c) *What must be included in the notification of discontinuance?* The notification of discontinuance must include the effective date of discontinuance, the reason for the participant's discontinuance, a statement of the individual's right to appeal the discontinuance through the fair hearing process, in accordance with § 247.33(a), and a statement that informs the applicant that program standards are applied without discrimination by race, color, national origin, age, sex, or disability.

§ 247.18 Nutrition education.

(a) *What are the State agency's responsibilities in ensuring that nutrition education is provided?* The State agency must establish an overall nutrition education plan and must ensure that local agencies provide nutrition education to participants in accordance with the plan. The State agency may allow local agencies to share personnel and educational resources with other programs in order to provide the best nutrition education possible to participants. The State agency must establish an evaluation procedure to ensure that the nutrition education provided is effective. The evaluation procedure must include participant input and must be directed by a nutritionist or other qualified professional. The evaluation may be conducted by the State or local agency, or by another agency under agreement with the State or local agency.

(b) *What type of nutrition education must the local agency provide?* The local agency must provide nutrition education that can be easily understood by participants and is related to their nutritional needs and household situa-

(1) The nutritional value of CSFP foods, and their relationship to the overall dietary needs of the population groups served;

(2) Nutritious ways to use CSFP foods;

(3) Special nutritional needs of participants and how these needs may be met;

(4) For pregnant and postpartum women, the benefits of breastfeeding;

Local agencies are encouraged to make nutrition education available to children, where appropriate.

(b) *What must the local agency do if a CSFP participant is found to be committing dual participation?* A participant found to be committing dual participation must be discontinued from one of the programs (WIC or CSFP), or from participation at more than one CSFP site. Whenever an individual's participation in CSFP is discontinued, the local agency must notify the individual of the discontinuance, in accordance with § 247.17. The individual may appeal the discontinuance through the fair hearing process, in accordance with § 247.33(a). In accordance with § 247.20(b), if the dual participation resulted from the participant, or the parent or caretaker of the participant, making false or misleading statements, or intentionally withholding information, the local agency must disqualify the participant from CSFP, unless the local agency determines that disqualification would result in a serious health risk. The local agency must also initiate a claim against the participant to recover the value of CSFP benefits improperly received, in accordance with § 247.30(c).
