

§ 247.22

State agency requests to initiate service to women, infants, and children receive priority over requests to initiate service to the elderly. Of the State agency's caseload request, FNS assigns caseload in an amount that it determines the State needs and can efficiently utilize. This determination is made based on information contained in the State Plan and on other relevant information. However, if all caseload requests cannot be met, FNS will assign caseload to those States that are most likely to utilize it.

(b) *When does FNS assign caseload to State agencies?* FNS must assign caseload to State agencies by December 31 of each year, or within 30 days after enactment of appropriations legislation covering the full fiscal year, whichever comes later. Caseload assignments for the previous caseload cycle will remain in effect, subject to the availability of sufficient funding, until caseload assignments are made for the current caseload cycle.

(c) *How do State agencies request additional caseload for the next caseload cycle?* In accordance with § 247.6(d), a State agency that would like additional caseload for the next caseload cycle (beginning the following January 1) must submit a request for additional caseload by November 5, as an amendment to the State Plan. The State agency must also describe plans for serving women, infants, and children, and the elderly, at new sites in this submission.

§ 247.22 Allocation and disbursement of administrative funds to State agencies.

(a) *What must State agencies do to be eligible to receive administrative funds?* In order to receive administrative funds, the State agency must have signed an agreement with FNS to operate the program, in accordance with § 247.4(a)(1), and must have an approved State Plan.

(b) *How does FNS allocate administrative funds to State agencies?* (1) As required by law, each fiscal year FNS allocates to each State agency an administrative grant per assigned caseload slot, adjusted each year for inflation.

(2) For fiscal year 2003, the amount of the grant per assigned caseload slot

7 CFR Ch. II (1-1-10 Edition)

was equal to the per-caseload slot amount provided in fiscal year 2001, adjusted by the percentage change between:

(i) The value of the State and local government price index, as published by the Bureau of Economic Analysis of the Department of Commerce, for the 12-month period ending June 30, 2001; and

(ii) The value of that index for the 12-month period ending June 30, 2002.

(3) For subsequent fiscal years, the amount of the grant per assigned caseload slot is equal to the amount of the grant per assigned caseload slot for the preceding fiscal year, adjusted by the percentage change between:

(i) The value of the State and local government price index, as published by the Bureau of Economic Analysis of the Department of Commerce, for the 12-month period ending June 30 of the second preceding fiscal year; and

(ii) The value of that index for the 12-month period ending June 30 of the preceding fiscal year.

(c) *How do State agencies access administrative funds?* FNS provides administrative funds to State agencies on a quarterly basis. Such funds are provided by means of a Letter of Credit, unless other funding arrangements have been made with FNS. The State agency obtains the funds by electronically accessing its Letter of Credit account.

§ 247.23 State provision of administrative funds to local agencies.

(a) *How much of the administrative funds must State agencies provide to local agencies for their use?* The State agency must provide to local agencies for their use all administrative funds it receives, except that the State agency may retain for its own use the amount determined by the following formula:

(1) 15 percent of the first \$50,000 received;

(2) 10 percent of the next \$100,000 received;

(3) 5 percent of the next \$250,000 received; and

(4) A maximum of \$30,000, if the administrative grant exceeds \$400,000.
