

identified in accordance with paragraphs (b)(1), (2), (3), or (4) of this section; and

(7) Consideration of the effectiveness of the regulatory system of the exporting region to control bee diseases, parasites, undesirable species and subspecies of honeybees, and pests that occur there and to prevent occurrences of new bee diseases, parasites, undesirable species and subspecies of honeybees, and pests.

(c) Based on the conclusions of the risk assessment, we will either:

(1) Publish in the FEDERAL REGISTER a notice of proposed rulemaking to allow honeybees, honeybee germ plasm, or bees other than honeybees to be imported into the United States from that region; or

(2) Deny the request in writing, stating the specific reasons for that action.

(d) We will publish a notice of availability of all completed risk assessments for public comment.

(Approved by the Office of Management and Budget under control number 0579–0207)

Subpart C—Importation of Restricted Organisms

§ 322.13 General requirements; restricted organisms.

(a) For the purposes of this part, the following are restricted organisms:

(1) Honeybee brood in the comb;

(2) Adult honeybees from any region other than those listed in § 322.4(a);

(3) Honeybee germ plasm from any region other than those listed in § 322.4(b); and

(4) Bees other than honeybees, in any life stage, from any region other than those listed in § 322.4(c) or any species of bee other than those listed in § 322.5(d)(2).

(b) Restricted organisms may be imported into the United States only by Federal, State, or university researchers for research or experimental purposes and in accordance with this part.

§ 322.14 Documentation; applying for a permit to import a restricted organism.

Any restricted organism imported into the United States must be accompanied by both a permit, in accordance with paragraph (a) of this section, and

an invoice or packing list accurately indicating the complete contents of the shipment, in accordance with paragraph (b) of this section.

(a) *Permit.* You must submit a completed application for a permit to import restricted organisms at least 30 days prior to scheduling arrival of those organisms. You may import a restricted organism only if we approve your application and issue you a permit. Our procedures for reviewing permit applications are provided in § 322.15. To apply for a permit, you must supply, either on a completed PPQ Form 526 or in some other written form, the following information:³

(1) *Applicant information.* Your name, title, organization, address, telephone number, facsimile number, and electronic mail address (provide all that are applicable). You must also state whether you are a U.S. resident. If you are not a U.S. resident, you must also supply the name, title, organization, address, telephone number, facsimile number, and electronic mail address (provide all that are applicable) of a U.S. resident who will act as a sponsor for the permit application.

(2) *Application type.* New permit, permit renewal, or amendment to existing permit (if a renewal or amendment, provide the current permit number).

(3) *Type of movement.* Select or write “Import into the United States.”

(4) *Scientific name of organism.* Genus, species, subspecies or strain, and author (if known).

(5) *Type of organism.* Select or write “Bees and/or bee germ plasm.”

(6) *Taxonomic classification.* Family of restricted organisms.

(7) *Life stage(s).* Semen, preovipositional eggs, embryos, postovipositional eggs, larvae, pupae, or adults. If adult queens, please specify.

(8) Number of shipments.

(9) Number of specimens per shipment.

³Mail your completed application to Permit Unit, PPQ, APHIS, 4700 River Road Unit 133, Riverdale, MD 20737–1236. A PPQ Form 526 may be obtained by writing to the same address, calling toll-free (877) 770–5990, faxing your request to (301) 734–8700, or downloading the form from <http://www.aphis.usda.gov/ppq/ss/permits/pests/>.
