

§ 929.125

7 CFR Ch. IX (1–1–10 Edition)

§ 929.125 Committee review procedures.

Growers may request, and the Committee may grant, a review of determinations made by the Committee pursuant to section 929.48, in accordance with the following procedures:

(a) If a grower is dissatisfied with a determination made by the Committee which affects such grower, the grower may submit to the Committee within 30 days after receipt of the Committee's determination of sales history, a request for a review by an appeals subcommittee composed of two independent and two cooperative representatives, as well as a public member. Such appeals subcommittee shall be appointed by the Chairman of the Committee. Such grower may forward with the request any pertinent material for consideration of such grower's appeal.

(b) The subcommittee shall review the information submitted by the grower and render a decision within 30 days of receipt of such appeal. The subcommittee shall notify the grower of its decision, accompanied by the reasons for its conclusions and findings.

(c) The grower may further appeal to the Secretary, within 15 days after notification of the subcommittee's findings, if such grower is not satisfied with the appeals subcommittee's decision. The Committee shall forward a file with all pertinent information related to the grower's appeal. The Secretary shall inform the grower and all interested parties of the Secretary's decision. All decisions by the Secretary are final.

§ 929.142 Reserve.

(a) It is necessary and appropriate to establish and maintain a reserve in an amount not to exceed approximately one fiscal period's operational expenses to be used in accordance with the provisions of § 929.42 of the marketing agreement and this part, and

(b) Assessments collected for each of the fiscal periods ended July 31, 1963; July 31, 1965; July 31, 1966; and July 31, 1967, were in excess of expenses for such periods. The committee is hereby au-

thorized to place excess funds in said reserve.

§ 929.149 Determination of sales history.

A sales history for each grower shall be computed by the Committee in the following manner.

(a) For each grower with acreage with 7 or more years of sales history, a new sales history shall be computed using an average of the highest 4 of the most recent 7 years of sales. If the grower has acreage with 6 years sales history, a new sales history shall be computed by averaging the highest 4 of the 6 years. If the grower has acreage with 5 years of sales history and such acreage was planted prior to 1995, a new sales history shall be computed by averaging the highest 4 of the 5 years.

(b) For growers whose acreage has 5 years of sales history and was planted in 1995 or later, the sales history shall be computed by averaging the highest 4 of the 5 years and shall be adjusted as provided in paragraph (d). For growers whose acreage has 4 years of sales history, the sales history shall be computed by averaging all 4 years and shall be adjusted as provided in paragraph (d). For growers whose acreage has 1 to 3 years of sales history, the sales history shall be computed by dividing the total years sales by 4 and shall be adjusted as provided in paragraph (d).

(c) For growers with acreage with no sales history or for the first harvest of replanted acres, the sales history will be 75 barrels per acre for acres planted or re-planted in 2000 and first harvested in 2001 and 156 barrels per acre for acres planted or re-planted in 1999 and first harvested in 2001.

(d) In addition to the sales history computed in accordance with paragraphs (a) and (b) of this section, additional sales history shall be assigned to growers with acreage planted in 1995 or later. The additional sales histories depending on the date the acreage is planted are shown in Table 1.

TABLE 1—ADDITIONAL SALES HISTORY ASSIGNED TO ACREAGE

Date planted	Additional 2001 sales history per acre
1995	49
1996	117
1997	157
1998	183
1999	156
2000	75

(e) Fresh fruit sales shall be deducted from the sales histories. The sales history assigned to each grower shall represent processed sales only.

(f) If a grower's fruit does not qualify as fresh fruit upon delivery to the handler, and it is converted to processed fruit, the handler shall give priority to this grower when allocating unused allotment if the grower does not have sufficient processed sales history to cover the converted fruit.

§ 929.150 Transfer or assignment of sales history.

(a) If indebtedness is incurred with regard to the acreage to which the cranberries are attributed, and on which a sales history is established, the sales history holder may transfer or assign the sales history solely as security for the loan. During the existence of such indebtedness no further transfer or assignment of sales history by the sales history holder shall be recognized by the committee unless the lender agrees thereto: Provided, That a copy of such loan agreement or assignment shall be filed with the committee before any right expressed therein, with regard to the sales history, shall be recognized by the committee under this paragraph (a).

(b) This regulation shall not in any way be construed to affect the right of the Secretary of Agriculture to amend, modify or terminate this regulation, or the marketing order under which it is issued as provided by law.

§ 929.152 Delinquent assessments.

There shall be a late payment charge of five percent and an interest charge

of 1½ percent per month applied to any assessment not received at the committee's office before the end of the month in which such assessment was first invoiced to the handler: *Provided*, That if an assessment is first invoiced later than the 15th of the month, no late payment or interest charge shall be levied if such assessment is received at the committee office by the end of the following month in which the assessment was first invoiced to the handler.

§ 929.158 Exemptions.

If fresh and organically-grown cranberries are exempted from the volume regulation as recommended by the Committee and approved by the Secretary, the following provisions to these exemptions shall apply:

(a) Sales of packed-out cranberries intended for sales to consumers in fresh form shall be exempt from volume regulation provisions. Fresh cranberries are also sold dry in bulk boxes generally weighing less than 30 pounds. Fresh cranberries intended for retail markets are not sold wet. If any such fresh cranberries are diverted into processing outlets, the exemption no longer applies. Growers who intend to handle fresh fruit shall notify the committee of their intent to sell over 300 barrels of fresh fruit.

(b) Sales of organically-grown cranberries are exempt from volume regulation provisions. In order to receive an exemption for organic cranberry sales, such cranberries must be certified as such by a third party organic certifying organization acceptable to the committee.

(c) Handlers shall qualify for the exemptions in paragraphs (a) and (b) of this section by filing the amount of packed-out fresh or organic cranberry sales on the grower acquisition form.
