

§ 929.51

7 CFR Ch. IX (1–1–10 Edition)

history attributable to the acreage being leased shall remain with the lessor.

(2) *Total sale of cranberry acreage.* When there is a sale of a grower's total cranberry producing acreage, the committee shall transfer all owned acreage and all associated sales history to such acreage to the buyer. The seller and buyer shall file a sales transfer form providing the committee with such information as may be requested so that the buyer will have immediate access to the sales history computation process.

(3) *Partial sale of cranberry acreage.* When less than the total cranberry producing acreage is sold, sales history associated with that portion of the acreage being sold shall be transferred with the acreage. The seller shall provide the committee with a sales transfer form containing, but not limited to the distribution of acreage and the percentage of sales history, as defined in § 929.48(a)(1), attributable to the acreage being sold.

(4) No sale of cranberry acreage shall be recognized unless the committee is notified in writing.

(b) *Allotment transfers.* During a year of volume regulation, a grower may transfer all or part of his/her allotment to another grower. If a lease is in effect the lessee shall receive allotment from lessor attributable to the acreage leased. *Provided,* That the transferred allotment shall remain assigned to the same handler and that the transfer shall take place prior to a date to be recommended by the Committee and approved by the Secretary. Transfers of allotment between growers having different handlers may occur with the consent of both handlers.

(c) The committee may establish, with the approval of the Secretary, rules and regulations, as needed, for the implementation and operation of this section.
